

The background of the entire image is an abstract painting. It features a central, bright, yellowish-white light source from which numerous colorful, brushstreak-like rays emanate outwards. The colors are predominantly warm, including shades of red, orange, and pink, but also include cooler tones of blue and purple. The overall effect is one of dynamic energy and movement, reminiscent of a nebula or a powerful light burst. The painting is composed of thick, visible brushstrokes, giving it a textured, expressive quality.
