An Unsettled Range The Range:

On Shaky Ground Andrew Grey, 2019-06-14 Martin Graham built his business from the ground up with hard work and intuition. Due to a degenerative eye disease, he's learned to rely on his other senses to feel out the competition. To realize his dream, he just needs to broker one last deal and finally secure an assistant. Brock Littleton is desperate for money, desperate enough to take the job no one else wants: assistant to a demanding, intensely private Mr. Graham. Everything about Brock gets under Martin's skin in ways he never expected, making him realize a successful business isn't the only component to a happy future. But as Martin's deal comes together, one of the prizes could be the relationship with Brock that Martin is just starting to believe could be real.

Between Loathing and Love Andrew Grey, 2015-10-12 Theatrical agent Payton Gowan meets with former classmate and prospective client Beckett Huntington with every intention of brushing him off. Beckett not only made high school a living hell for Payton, but he was also responsible for dashing Payton's dreams of becoming a Broadway star. Aspiring actor Beckett Huntington arrives in New York City on a wing and a prayer, struggling to land his first gig. He knows scoring Payton Gowan as an agent would be a great way to get his foot in the door, but with their history, getting the chance is going to be a tough sell. Against Payton's better judgment, he agrees to give Beckett a chance only to discover to his amazement that Beckett actually does have talent. Payton signs Beckett but can't trust him until Payton's best friend Val is attacked. When Beckett is there for him, Payton begins to see another side to his former bully. Amidst attempts by a jealous agent to sabotage Beckett's career and tear apart their blossoming love, Payton and Beckett must learn to let go of the past if they have any chance at playing out a future together.

Hunks of the Month Andrew Grey, 2025-05-20 Former fashion photographer Sterling Vaughn reached the pinnacle of his profession only to have his life and heart come crashing down around him. Now, he's attempting to rebuild his life as a portrait photographer in the town where he grew up. Connor Hillyard is proud of his Scottish ancestry and dresses accordingly. The civic-minded college history professor has spent more of his life collecting degrees than experience. His only family is his sometimes matchmaking great aunt Lucille, who thinks nothing of pulling him into her community gardening projects. When Lucille needs a photographer for a calendar project to save her failing garden club, she recruits Sterling, who ropes Connor in as a model. Their eye-opening, hunky gay calendar pulls the two men closer together. But just as things get interesting between them, the calendar polarizes the town, threatening to pull Sterling back into the high-profile world of fashion and away from the man who brought his heart back to life.

Love at First Swipe Andrew Grey, 2024-06-04 Darby Wright has fought for his independence ever since he lost his sight as a child. But even now that he has his own home and a good job, his overprotective mother doesn't believe he can handle himself. Darby's determined to prove her wrong, but there are some things like finding his guide dog's potty accident where an extra set of eyes would come in handy. Enter See For Me, an app that connects blind clients with sighted volunteers. See For Me is designed for just this sort of emergency, and it's through this app that Darby meets Reynaldo Lust at first voice.

turns to more when Darby and Reynaldo run into each other at a local sandwich shop where Renaldo seems as nice in person as he was in app With Reynaldo Darby can feel his world expanding Reynaldo doesn't just support him but understands him and sees Darby as more than his disability But will being with Reynaldo mean giving up Darby's hard fought independence or will it mean gaining something more than he ever dreamed ***Survive and Conquer*** Andrew Grey, 2019-07-09
