Analyzing the Drone Debates: Targeted Killing, Remote Warfare, and Military Technology James DeShaw Rae, 2014-03-16 The book examines principal arguments for and against the use of unmanned aerial vehicles for surveillance and targeted killing Addressing both sides of the argument with clear and cogent details the book provides a thorough introduction to ongoing debate about the future of warfare and its ethical implications

**Analyzing the Drone Debates: Targeted Killing, Remote Warfare, and Military Technology** James DeShaw Rae, 2014-03-16 The book examines principal arguments for and against the use of unmanned aerial vehicles for surveillance and targeted killing Addressing both sides of the argument with clear and cogent details the book provides a thorough introduction to ongoing debate about the future of warfare and its ethical implications

*The Drone Debate* Avery Plaw, Matthew S. Fricker, Carlos Colon, 2015-12-24 The Drone Debate offers a thorough investigation of the where why how and when of the U S s use of UAVs Beginning with a historical overview of the use of drones in warfare it then addresses whether targeted killing operations are strategically wise whether they are permissible under international law and the related ethical issues It also looks at the political factors behind the use of drones including domestic and global attitudes toward their use and potential issues of proliferation and escalation Finally the use of drones by other countries such as Israel and China is examined Each chapter features a case study that highlights particular incidents and patterns of operation in specific regions including Yemen Somalia Pakistan and Libya and strike types signature strikes personality strikes etc

*Opposing Perspectives on the Drone Debate* B. Strawser, L. Hajjar, S. Levine, F. Naqvi, J. Witt, 2014-06-17 Does the lethal use of drones pose any new or difficult moral problems Or is the controversy over these weapons merely a distraction from deeper questions regarding the justice of war and the United States bellicose foreign policy *Opposing Perspectives on the Drone Debate* pulls no punches in answering these questions as five scholars square off in a lively debate over the ethics of drones and their contentious use in a point counterpoint debate The contributing authors are some of the foremost thinkers in international affairs today spanning the disciplines of philosophy sociology political science and law Topics debated range from the US s contested policy of so called targeted killing in Pakistan s tribal regions to fears over the damaging effects such weaponry has on our democratic institutions to the more abstract moral questions raised by killing via remote control such as the duty to capture over kill

**The Fall of Global Socialism** D. Jayatilleka, 2016-04-20 This radical new perspective from the Global South casts a fresh light on a major aspect of contemporary history and in doing so suggests an alternative interpretation of twentieth century revolutions Socialism left thinking and radical politics

A Contemporary Theology for Ecumenical Peace J. Will, 2014-04-25 Humanity s long history of intermittent conflicts and contemporary violence undermines Christian s and their Jewish and Muslim fellow believers religious confidence in and moral commitment to world peace The principal issue is the ambiguity of God s presence and action in the world as we experience it In *A Contemporary Theology for Ecumenical Peace* this problem is

addressed by relating biblical theology to contemporary philosophical and theological perspectives to motivate and sustain the practice of love and justice in the context of civil religion      **The Price of Public Intellectuals** R. Sassower, 2014-04-08 This book provides a historically informed survey critically outlining sociological psychological political and economic approaches to the role of public intellectuals Sassower suggests how the state might financially support the essential work of public intellectuals so as to critically engage the public and improve public policies      *Participation, Citizenship and Intergenerational Relations in Children and Young People's Lives* J. Westwood, C. Larkins, D. Moxon, Y. Perry, N. Thomas, 2014-04-14 Research about children and young people's participation and involvement in research is an emerging area of academic inquiry Based on the themes of participation citizenship and intergenerational relations this edited collection draws on the latest research in this area and includes chapters co-authored with children and young people      *The British Olympic Association: A History* K. Jefferys, 2014-04-25 Since its creation the British Olympic Association BOA has been one of the most important institutions in sports governance In spite of its prominence there has hitherto been no single volume history of the Association This scholarly yet accessible study fills that gap assessing the origins evolution strengths and shortcomings of the BOA      **Female Football Fans** C. Dunn, 2014-04-18 Most sociological work on football fandom has focused on the experience of men and it usually talks about alcohol fighting and general hooliganism This book shows that there are some unique facets of female experience and fascinating negotiations of identity within the male dominated world of men's professional football
