Anarchy Manual:

The Anarchists' Guide to the Bay Area Buckner Thompson, 2022-12-03 Susie Os and the independent publishing house AL Press are proud to present their first book in a series on Direct Democracy Political Activism and Personal Freedom The neo conservative gun toting minority has high jacked the Republican Party the United States Supreme Court as well as the language and terminology of freedom but AL Press is here to help YOU fight back While violent white supremacists and hard core evangelicals with the assistance of talking heads and masters of propaganda like Donald Trump and Tucker Carlson have subverted the very basic principles of the United States to strip average hard working Americans of their fundamental rights the silent majority of freedom loving and proud Americans can no longer stay SILENT But how do you protest inside a increasingly oppressive militaristic and violent society How do you stay safe when your very life may be at the whim of a heavily armed racist police officer recruited into a position of authority by his white supremacist overlords and protected from prosecution by an ever more corrupt judicial system RESIST It is the only ethical and moral option and this is the book the government doesn't want you to have AL Press Independent Publishing at it's best Susie Os and Bonny Freedom are the editors of the first in a series of books on political activism and personal freedom This book along with several others at AL Press follow a long tradition of promoting literary freedom as protected by the United States constitution However due to recent challenges and post 9 11 censorship the authors and AL Publishing are currently writing under pseudonyms for their own protection
