Anatomy Of Greed The Unshredded Truth From An Enron Insider:

Enron Brian Cruver,2003 This title examines the accounting tricks the insider stock trades how the grossly lucrative fraudulent partnerships were structured and funded as well as the everyday life of the author who was the epitome of the classic Enron employee when he first joined the company **Enron** Brian Cruver,2003 **Anatomy of Greed** Brian Cruver,2002 A former manager at Enron offers his view of the rise and fall of the corporation describing the financial shenanigans insider stock trades fraudulent partnerships and double dealing attitudes that led to Enron s destruction

Anatomy of Greed Brian Cruver,2003-09-02 Young brash sporting a shiny new MBA and obscenely overpaid Brian Cruver epitomized the Enron employee when he first entered the company s Houston office and from day one he found himself a cog in the wheel of a venal greed machine For the next nine months he would witness firsthand the now infamous corporate tragedy that he relates in these ruthlessly honest often hilarious and frequently disturbing pages Here are the accounting tricks insider stock trades grossly lucrative fraudulent partnerships and death dance to bankruptcy Equally revealing though are Cruver s descriptions of everyday life at Enron the cocky wheeling and dealing intraoffice relationships casual conversations at the shredder and the insidious group think that committed Enronians to the propaganda of flawed executives like Ken Lay Jeffrey Skilling and Andy Fastow Out of their wreckage Cruver has fashioned an arresting and cautionary morality tale for our time *Anatomy of Greed* was the basis for the CBS TV movie *The Crooked E* a behind the scenes chronicle of the last days in the strange life of one of the world s richest riskiest and most corrupt corporations Eight pages of telling photographs are included [Postwar America](#) James Ciment,2015-03-26 From the outbreak of the Cold War to the rise of the United States as the last remaining superpower the years following World War II were filled with momentous events and rapid change Diplomatically economically politically and culturally the United States became a major influence around the globe On the domestic front this period witnessed some of the most turbulent and prosperous years in American history *Postwar America* An Encyclopedia of Social Political Cultural and Economic History provides detailed coverage of all the remarkable developments within the United States during this period as well as their dramatic impact on the rest of the world A Z entries address specific persons groups concepts events geographical locations organizations and cultural and technological phenomena Sidebars highlight primary source materials items of special interest statistical data and other information and Cultural Landmark entries chronologically detail the music literature arts and cultural history of the era Bibliographies covering literature from the postwar era and about the era are also included as are illustrations and specialized indexes **Capitol Offense** Hill Kemp,2003-03 *Capitol Offense* rips away the Austin facade and reveals a surprising cast of the real players and their cut throat contentions In the place where George W Bush and Carl Rove learned their abc s of governing Kemp s novel exposes the hidden 90% of the governing process which never makes its way into the news **Hidden Financial Risk** J. Edward Ketz,2003-07-25 An insider s guide to understanding and eliminating accounting

fraud How do these high profile accounting scandals occur and what could have been done to prevent them Hidden Financial Risk fills that void by examining methods for off balance sheet accounting with a particular emphasis on special purpose entities SPE the accounting ruse of choice at Enron and other beleaguered companies J Edward Ketz identifies the incentives for managers to deceive investors and creditors about financial risk and also shows investors how to protect their investments in a world filled with accounting and auditing frauds J Edward Ketz PhD State College PA is MBA Faculty Director and Associate Professor of Accounting at Penn State s Smeal College of Business He has been cited in the press nearly 300 times since Enron s bankruptcy including The New York Times The Wall Street Journal and The Washington Post He has a regular column in Accounting Today

Ethics in a Cocoon V. David Schwantes, 2007-09 Cocoon demonstrates in easy to understand language that ethics is about trust and happiness Trust is the essential ingredient to mutually supportive and durable relationships focused on reducing life s imperfections Such relationships are the key to happiness But we cannot live deep inside protective cocoons and still build trust and relationships Instead we must develop all the dimensions of what makes us human intellectual truth spiritual unity moral goodness and aesthetic beauty Above all we have to know ourselves and be able to pass the mirror test every day Our most important relationship after all being with ourself and we don t discover our spiritual unity without a Personal Strategic Plan Nor can we become ethically fit without enthusiasm equanimity and a commitment to excellence traits not found in cocoons Only ethical fitness can help us find the resolution to the fundamental ethical dilemmas we all face truth versus loyalty short term versus long term individual versus community and justice versus mercy This book suggests we use a variety of lenses to look at the world today power wealth prestige status We use the lenses of economics politics and technology We do not use nearly enough the lens of ethics relationships happiness decency and the golden mean Once we re ethically fit the result of continuous practice we re able to recognize ethical dilemmas approach them skillfully and resolve them successfully This book shows the way to such fitness which is useful in any context or relationship personal local or global Cocoon is a self improvement book of the first order with real life macro illustrations of the ethical dilemmas we face in a complex and crowded world in which too many of us pursue the dictates of false gods It includes over 500 practice questions and was developed as a textbook in the ethics courses the author taught to seniors at Ramapo College from 2002 th
