

The background of the cover is a photograph of a desert landscape. In the foreground, there are sand dunes with visible wind patterns. In the middle ground, there's a large, dark, shadowed area that looks like a cave entrance or a deep crevice. In the background, there are more sand dunes under a blue sky with some clouds.

Archaeology of Afghanistan Raymond Allchin, 2019-06-03 First published in 1978 this was the first book in English to provide a complete survey of the immensely rich archaeological remains of Afghanistan It has now been thoroughly revised and brought up to date to incorporate the latest discoveries and research **Bureaucratic Archaeology** Ashish Avikunthak, 2022-02-03 Bureaucratic Archaeology is a multi faceted ethnography of quotidian practices of archaeology bureaucracy and science in postcolonial India concentrating on the workings of Archaeological Survey of India ASI This book uncovers an endemic link between micro practice of archaeology in the trenches of the ASI to the manufacture of archaeological knowledge wielded in the making of political and religious identity and summoned as indelible evidence in the juridical adjudication in the highest courts of India This book is a rare ethnography of the daily practice of a postcolonial bureaucracy from within rather than from the outside It meticulously uncovers the social cultural political and epistemological ecology of ASI archaeologists to show how postcolonial state assembles and produces knowledge This is the first book length monograph on the workings of archaeology in a non western world which meticulously shows how theory of archaeological practice deviates transforms and generates knowledge outside the Euro American epistemological tradition

The Archaeology of South Asia Robin Coningham, Ruth Young, 2015-08-31 This book synthesises the archaeology of South Asia from the Neolithic period c 6500 BCE to the third century BCE **Archaeological Geography of the Ganga Plain** Dilip K. Chakrabarti, 2001 This Book Discusses The Ancient Historical Geography Of The Lower And Middle Sections Of The Ganga Plain Its Basis Is A Field Study Of The Distribution Of Archaeological Sites In The Region This Extremely Significant Work Of Scholarship Has Detailed Maps And A Large Plate Section **Understanding Early Large-Scale Collectives** Justin Jennings, 2025-06-30 This volume brings together perspectives from different parts of the world that showcase the wide variety of practices institutions and ideologies that allowed for shared identities and coordinated actions across broad collectives It shows that there are many ways that people can work together How did the world s first large scale collectives come into being For much of our discipline s history the answer was the state People learned how to be part of a larger community via political economic and social scaffolding that tended to build from earlier ways of living in a region This

scaffolding was often wobbly and always under construction its flexibility often a design strength rather than a flaw This book demonstrates that violence and rulers often played pivotal roles in large scale collectives but so did gender complementarity markets ritual centers fictive kinship and egalitarianism Earlier evolutionary approaches tended to obscure both the variability and malleability of earlier political forms in a desire to find ideal types hidden beneath cross cultural noise This volume s authors argue that this noise was politics in action and that there was no state or other kind of polity that was above the fray and divorced from the daily practices that brought people animals and other things together A better understanding of early collective action strategies provides a richer understanding of past politics and just as importantly demonstrates governance alternatives for our contemporary society that struggles to address climate change pandemics and other pressing challenges This book will interest archaeologists and historians as well as anyone who is curious about other ways that we can work together to solve common problems

Monsoon Rains, Great Rivers and the Development of Farming Civilisations in Asia Peter D. Clift, Jade d'Alpoim Guedes, 2021-01-07 A detailed review of climate change and its impacts on farming systems since the Neolithic including anticipated future changes
