THE BATTLE OF ANZIO

Anzio Italy And The Battle For Rome 1944

Christian G. Meyer

Anzio Italy And The Battle For Rome 1944:

Anzio Lloyd Clark,2007-10-10 Masterly a heartbreaking beautifully told story of wasted sacrifice Vince Rinehart The Washington Post The Allied attack of Normandy beach and its resultant bloodbath have been immortalized in film and literature but the U S campaign on the beaches of Western Italy reigns as perhaps the deadliest battle of World War II s western theater In January 1944 about six months before D Day an Allied force of thirty six thousand soldiers launched one of the first attacks on continental Europe at Anzio a small coastal city thirty miles south of Rome The assault was conceived as the first step toward an eventual siege of the Italian capital But the advance stalled and Anzio beach became a death trap After five months of brutal fighting and monumental casualties on both sides the Allies finally cracked the German line and marched into Rome on June 5 the day before D Day Richly detailed and fueled by extensive archival research of newspapers letters and diaries as well as scores of original interviews with surviving soldiers on both sides of the trenches Anzio is a harrowing and incisive true story by one of today s finest military historians **Anzio** Lloyd Clark,2006 **Fatal Decision** Carlo D'Este,2009-06-02 Fatal Decision is a powerful dramatic moving and ultimately definitive narrative of one of the most desperate campaigns of World War II In the winter of 1943 44 Anzio a small Mediterranean resort and port some thirty five miles south of Rome played a crucial role in the fortunes of World War II as the target of an amphibious Allied landing The Allies planned to bypass the strong German defenses along the Gustav Line and at Monte Cassino sixty miles to the southeast which were holding up the American and British armies and preventing the liberation of Rome By taking advantage of Allied command of the sea and air to effect complete surprise infantry and armored forces landing at Anzio on January 22 were expected to secure the beachhead and then push inland to cut off the two main highways and railroads supplying the German forces to the south either trapping and annihilating the German armies or forcing them to withdraw to the north thus opening the way to Rome But the reality of one of the most desperate campaigns of World War II was bad management external meddling poorly relayed orders and uncertain leadership The Anzio beachhead became a death trap with Allied troops forced to fight for their lives for four dreadful months The eventual victory in May 1944 was muted bitter and overshadowed by the Allied landings in Normandy on June 6 Mixing flawless research drama and combat with a brilliant narrative voice Fatal Decision is one of the best histories ever written of a World War II military campaign *The Ghosts of Hero Street* Carlos Harrison,2015-05-05 A wonderful American story of the extraordinary sacrifices made by a group of Mexican Americans A shining example of patriotism at its best Former U S Representative Tom Railsback They came from one street but death found them in many places in a distant jungle a frozen forest and trapped in the flaming wreckage of a bomber blown from the sky They all came from a single street in Silvis Illinois a dirt road barely a block and a half long with an unparalleled history The Mexican American families who lived on that one street sent fifty seven of their children to fight in World War II and Korea more than any other place that size anywhere in the country Eight of those children died It s a

distinction recognized by the Department of Defense one that earned that strip a distinguished name Hero Street This is the story of those brave men and their families how they fought both in battle and to be accepted in a society that remained biased against them even after they returned home as heroes Based on interviews with relatives friends and soldiers who served alongside the men as well as personal letters and photographs The Ghosts of Hero Street is the compelling and inspiring account of a street of soldiers and men who would not be denied their dignity or their honor INCLUDES PHOTOS

Anzio (Operation Shingle): An Operational Perspective ,1994 This case study analyzes the role of operational art in Allied operations at Anzio Italy and the battle for Rome January 22 June 4 1944 As part of the Allied Campaign in Italy the amphibious assault on Anzio code named Operation Shingle and the subsequent drive to Rome remains one of the most controversial military operations in history Although the Allies eventually captured Rome from the Germans the failure to use operational thinking led to a poorly planned and executed operation Most historical accounts blame the failures at Anzio on the lack of aggressiveness by the Operation Shingle commander Major General John P Lucas However when viewed in the larger context of the strategy to defeat Germany and the Allied Campaign in Italy Operation Shingle is a showcase of failure at the operational level of war Political rather than military considerations drove Shingle dooming the operation from the start

The Battle for the Mediterranean Anthony Tucker-Jones,2021-09-01 This book provides a strategic overview of the war that is interweaved with fascinating personal accounts its campaigns and battles Professor Geoffrey Roberts If the Second World War was Hitler s war the vast military conflict that engulfed the Mediterranean between 1940 and 1945 was Mussolini s In this exciting and illuminating account Anthony Tucker Jones explores the major campaigns across the whole Mediterranean from the struggle for control of the Suez Canal to the Allied landings in the French Riviera in the summer of 1944 Includes Battle for Crete The Desert Air War Second Battle of El Alamein Operation Crusader Invasion of Sicily Operation Husky The actions of famous generals are introduced including Erwin Rommel Bernard Montgomery and George S Patton and how their strategic offensives pushed back Axis forces Augmented by fascinating photographs and forwarded by Professor Geoffrey Roberts The Battle for the Mediterranean tells the story of an all encompassing conflict by land air and sea

Historical Dictionary of World War II Anne Sharp Wells,2013-12-24 This dictionary covers the complex and costly conflict that began when Germany ruled by Adolf Hitler and the Nazi Party invaded neighboring Poland on 1 September 1939 and concluded when Germany surrendered on 7 9 May 1945 leaving much of the European continent in ruins and its population devastated The war against Germany Italy and the other European Axis members was fought primarily in Europe the Mediterranean the Middle East East and North Africa and the Atlantic Ocean The Axis powers were defeated by the Allies led by the Grand Alliance of Great Britain the United States and the Union of Soviet Socialist Republics The Historical Dictionary of World War II The War against Germany and Italy relates the history of this war through a chronology an introductory essay maps and photos and an extensive bibliography The dictionary section has more than 300 cross

referenced entries on the countries and geographical areas involved in the war as well as the nations remaining neutral wartime alliances and conferences significant civilian and military leaders and major ground naval and air operations This book is an excellent access point for students researchers and anyone wanting to know more about World War II Army History ,1989 *The Sonarman's War* H.G. Jones,2014-01-10 This memoir is an intimate and sometimes irreverent account of one man's coming of age during World War II Born a North Carolina farmboy Jones served as a U S Navy sonarman aboard a wooden submarine chaser operating from Africa and Sicily during the Allied invasions at Anzio and Southern France He also served as sonarman and yeoman on two fleet mine sweepers in the Okinawa Formosa and China operations This memoir is drawn not only from memory but from the author's surviving diaries from the conflicts daily logs of the three ships upon which he served and the secret reports of military commanders and other official records **Desperate Valour** Flint Whitlock,2018-10-30 A riveting and comprehensive account of the Battle of Anzio and the Alamo like stand of American and British troops that turned certain defeat into victory The four month long 1944 battle on Italy's coast south of Rome was one of World War II's longest and bloodiest battles Surrounded by Nazi Germany's most fanatical troops American and British amphibious forces endured relentless mortar and artillery barrages aerial bombardments and human wave attacks by infantry with panzers Through it all despite tremendous casualties the Yanks and Tommies stood side by side fighting with as Winston Churchill said desperate valour So intense and heroic was the fighting that British soldiers were awarded two Victoria Crosses while American soldiers received twenty six Medals of Honor ten of them awarded posthumously The unprecedented defensive stand ended with the Allies breaking out of their besieged beachhead and finally reaching their goal Rome They had truly snatched victory from the jaws of defeat Award winning author and military historian Flint Whitlock uses official records memoirs diaries letters and interviews with participants to capture the desperate nature of the fighting and create a comprehensive account of the unrelenting slugfest at Anzio Desperate Valour is a stirring chronicle of courage beyond measure
