Apollonius Of Tyana The Nazarene:

Apollonius the Nazarene Walter Siegmeister,1947 **Apollonius the Nazarene** Raymond W. Bernard,1996-09 This is a new release of the original 1956 edition *Apollonius the Nazarene* Dr. R. W. Bernard,1965 An astounding revelation saved from the flames that burnt the Alexandrian Library which the Roman Churchmen razed to the ground to destroy all records of the mystery man of Christianity Apollonius of Tyana the historical Christ and world teacher of the First Century now revealed to the world for the first time Proving that Apollonius of Tyana was the true founder of early Christianity and that the Jesus Christ of the New Testament had no existence except in the imagination of the Pagan Roman priests at Nicea subsequently called the Church Fathers who invented him as a substitute for Apollonius the true Christ Cover

Apollonius of Tyana the Nazarene R. W. Bernard M. D.,2009-03 The author is highlighting the historical similarities of Apollonius of Tyana to Jesus of Nazareth He asserts that while historical records exist for Apollonius the only historical records for Jesus were of his disciples and in a much later time frame While a jewish sorcerer existed according to the Talmud he lived about 100 years prior to the biblical record of Jesus of Nazareth Argument can be drawn that when Christianity was patched together by Constantine the powers to be replaced the name and hence the life and deeds of Jesus are fictionalized events borrowed from the life and travels of Apollonius *Apollonius the Nazarene* Raymond

Bernard,1990-03-01 **Apollonius of Tyana** Frederick William Groves Campbell,1908 **Approaching Apollonius** Floyd O. Parker,2025-08-05 Apollonius of Tyana resembles Jesus Christ more than does any other person in antiquity at least if what his biographer Philostratus claims is true According to their respective biographers in the Life of Apollonius of Tyana and in the canonical Gospels both ancient figures were renowned holy men miracle workers exorcists and itinerant teachers who lived in the first century AD Nevertheless many Bible professors and students have never heard of Apollonius Others who have heard of Apollonius often uncritically accept the testimony of Philostratus Some New Testament scholars who write about Apollonius are unaware of the numerous historical problems that plague Philostratus s book and of the other early sources that portray Apollonius as a sorcerer or charlatan This book serves as a guide for students professors or curious laypersons who are approaching the study of Apollonius for the first time This work explores ten key issues that will help the reader make an informed decision about Apollonius The book examines the ancient sources available for the study of Apollonius the historical accuracy of Philostratus s biography and the agendas of Philostratus and his royal patroness Julia Domna and provides a fulsome bibliography for those who wish to pursue these topics on their own *The Nazarene Gospel Restored* Robert Graves,Joshua Podro,2023-03-30 The Nazarene Gospel Restored is Robert Graves s major work on the life of Jesus written in collaboration with the distinguished Hebrew scholar Joshua Podro The research and writing occupied them for over ten years in a working relationship compounded in John W Presley s phrase of argument scholarship and mutual respect in which the imaginative writer and the Hebraist drew on their vast knowledge of the ancient world to reveal an

extraordinary new true story of Jesus The result is as Graves wrote to T S Eliot a very long very readable very strange book and one that Presley argues is as central to Graves s thought as The White Goddess The Nazarene Gospel Restored was controversial when first published the Church Times refused to advertise it reviews were hostile and Graves twice sued for libel In the twenty first century it is possible to read it in the context of a continuing engagement with the historical Jesus both scholarly and popular In this new edition John W Presley gives a detailed account of the composition and reception of the book setting it in the context of Graves s writing and of biblical scholarship The inclusion of Graves s Foreword and annotations for a project revised edition make this an indispensable resource **Apollonius of Tyana, and Other Essays**

Thomas Whittaker,1906 Jesus: Evidence and Argument or Mythicist Myths? Maurice Casey,2014-01-16 Did Jesus exist In recent years there has been a massive upsurge in public discussion of the view that Jesus did not exist This view first found a voice in the 19th century when Christian views were no longer taken for granted Some way into the 20th century this school of thought was largely thought to have been utterly refuted by the results of respectable critical scholarship from both secular and religious scholars Now many unprofessional scholars and bloggers mythicists are gaining an increasingly large following for a view many think to be unsupportable It is starting to influence the academy more than that it is starting to influence the views of the public about a crucial historical figure Maurice Casey one of the most important Historical Jesus scholars of his generation takes the mythicists to task in this landmark publication Casey argues neither from a religious perspective nor from that of a committed atheist Rather he seeks to provide a clear view of what can be said about Jesus and of what can t
