

BEHAVIOR ESSAY:

I am copying this essay because I made a choice. I make choices every day and these choices have consequences. Good choices have good consequences. Bad choices have bad consequences.

I will choose not to talk in class. I will choose not to throw things in class. I will choose not to disturb others around me. I will choose to hold my head up, and will choose to sit up and follow the instructions my teacher gives. I will choose to arrive on time to class with all supplies. When I enter the classroom, I will choose to quickly and quietly sit in my assigned seat and begin the bell ringer for class. I will choose to use appropriate language at all times. I will choose to not fight or pretend to fight. I will choose to stay in my seat unless I get permission to be out of my seat. I will choose to not speak or make other sounds while others are speaking. I will choose to not talk back to my teacher. I will choose to be respectful at all times to the Memphis Junior High School teachers, custodians, administrators, security personnel, and students.

When I entered Mr. Rumbler's classroom, I was given a list of procedures and expectations. I was read the procedures and expectations during class and have been reminded multiple times. I am in middle school and am able to understand what appropriate behavior means.

I understand what I am supposed to do in my class. I know and understand what is meant by appropriate behavior. I chose not to practice appropriate behavior. Because of my choice to refuse to practice appropriate behavior I am now copying this essay. This is a choice I made when I decided not to follow procedures and expectations in Mr. Rumbler's class.

By choosing to refuse to follow procedures and expectations I am keeping other students from learning. By choosing not to follow procedures and expectations I am keeping myself from learning what I need to know to successfully pass my music class.

The State of Illinois has outlined the things I need to know and be able to do in a music class. My teacher chooses to provide me with an educational opportunity every day because she wants me to meet the goals of the State and the classroom. When I choose to refuse to practice appropriate behavior, I am not able to meet these goals. I also keep others who care about their education from being able to meet these goals.

I, [WRITE YOUR OWN NAME HERE], will choose to practice appropriate behavior at all times. Because I respect the learning of others, I will choose to come to class prepared to work each day and will choose to obey rules and procedures. I will choose to follow class rules and behaviors because I know it is the right thing to do.
