Anindita Mukhopadhyay, 2006-10-06 This book investigates the deeper area of class antagonism between the privileged and underprivileged classes as they faced the colonial state and its different ideas of legality and sovereignty in colonial Bengal It examines the ambiguity in the bhadralok the educated middle class response to courts and jails The author argues that the discourse of superior bhadralok ethics and morals was juxtaposed against the chhotolok who were devoid of such ethical

values This enabled the bhadrakok to claim for themselves the position of the aware legal subject as a class a good subject obedient to the dictates of the new rule of law unlike the recalcitrant and ethically ill equipped chhotok The author underlines the development of a new cultural language of morality that delineated the parameters of bhadrakok public behaviour As the rule of law of the British government slid unobtrusively into the public domain the criminal courts and the jails turned into public theatres of infamy spaces that the ethically bound bhadrakok dreaded occupying The volume thus documents how the colonial legal and penal institutions streamlined the identities of some sections of the lower castes into criminal caste It also examines the nature of colonial bureaucracy and highlights the social silence on gender and women s criminality
