Called and Equipped Karen Wheeler, 2023-08-23 Teaching isn't a glamor job People don't go into teaching to become rich they become teachers because they want to make a difference to touch the future They feel called But lately COVID 19 pressures political astigmatism a strained economy mental health crises and even gun violence have piled on more stress so a career that begins with an honorable calling sometimes sinks into mediocrity even survival Called and Equipped by author Karen Wheeler was born of a need that was inspired by long frustrating and harried days as a teacher navigating the rough seas of public school while trying to maintain some semblance of a faithful Christian in practice The vehicle in this study is a teaching environment but this vehicle can go many places While it is written from a teacher's perspective non teachers have taken the study and have found it very relatable and easy to transfer to their unique work and life situations Wheeler takes a journey through the Bible a walk with Biblical characters who were often called into harrowing circumstances but were supported and equipped by God each step of the way The lessons they learned are teachable moments for us Through humor and insight these lessons can still call and equip us in workplaces today
