

Between the Enemy and Texas: Parsons's Texas Cavalry in the Civil War

By ANNE J. BAILEY

Between The Enemy And Texas Parsonss Texas Cavalry In The Civil War

Richard Lowe

Between The Enemy And Texas Parsonss Texas Cavalry In The Civil War:

Between the Enemy and Texas Anne J. Bailey, 2013-05-31 Much of the Civil War west of the Mississippi was a war of waiting for action of foraging already stripped land for an army that supposedly could provision itself and of disease in camp while trying to hold out against Union pressure There were none of the major engagements that characterized the conflict farther east Instead small units of Confederate cavalry and infantry skirmished with Federal forces in Arkansas Missouri and Louisiana trying to hold the western Confederacy together The many units of Texans who joined this fight had a second objective to keep the enemy out of their home state by placing themselves between the enemy and Texas Historian Anne J Bailey studies one Texas unit Parsons s Cavalry Brigade to show how the war west of the Mississippi was fought Historian Norman D Brown calls this the definitive study of Parsons s Cavalry Brigade the story will not need to be told again Exhaustively researched and written with literary grace *Between the Enemy and Texas* is a must book for anyone interested in the role of mounted troops in the Trans Mississippi Department **Between the Enemy and Texas** Anne J. Bailey, 1987

Riding with the 19Th Texas Cavalry in the War West of the Mississippi 1862-1865 Gary C. Cole, 2019-11-25 Riding With the 19th Texas Cavalry in the War West of the Mississippi 1862 1865 is the story of William Hardy Bennett s Confederate military service as a Private in Co B of the 19th Texas Cavalry Regiment during the War for Southern Independence and his experiences during Reconstruction that followed the war He enlisted with the Mesquite Light Horse Militia in Dallas County Texas on 8 January 1861 some one and a half months before the citizens of Texas ratified the State s Ordinance of Secession Some fourteen months later on 21 March 1862 he enlisted with Captain Allen Beard s Company Burford s Texas Cavalry in Dallas Texas to defend his family Dallas County and the State of Texas against a Yankee army determined to invade and destroy the State Beard s Company became Co B of the 19th Texas Cavalry Regiment and was an important part of Colonel William Henry Parsons Texas Brigade that fought with distinction in the Trans Mississippi Department Hardy fought in some fifty engagements and was often in harm s way but he survived and returned to Dallas County Texas after the war and prospered despite the economic and political problems that plagued the county during Reconstruction *In the Saddle with the Texans* Anne J. Bailey, 2004 The Texans were on the move daily they skirmished with Union cavalry or scouted enemy positions from the time they arrived in Arkansas in 1862 until the time they returned to Texas in 1865 As cavalry these Confederates endured a life of privation and hardship sleeping in the muddy bayous of northeastern Louisiana or along the banks of the Mississippi and Arkansas rivers For the first time the reader can follow the everyday life of a Texan in the cavalry as he served the Confederacy faithfully in a losing cause Jacket **Confederate Generals in the Trans-Mississippi, Vol 1** Lawrence L. Hewitt, Arthur W. Bergeron, Thomas E. Schott, 2013-04-30 Until relatively recently conventional wisdom held that the Trans Mississippi Theater was a backwater of the American Civil War Scholarship in recent decades has corrected this oversight and a growing number of historians agree that the events west of

the Mississippi River proved integral to the outcome of the war Nevertheless generals in the Trans Mississippi have received little attention compared to their eastern counterparts and many remain mere footnotes to Civil War history This welcome volume features cutting edge analyses of eight Southern generals in this most neglected theater Thomas Hindman Theophilus Holmes Edmund Kirby Smith Mosby Monroe Parsons John Marmaduke Thomas James Churchill Thomas Green and Joseph Orville Shelby providing an enlightening new perspective on the Confederate high command Although the Trans Mississippi has long been considered a dumping ground for failed generals from other regions the essays presented here demolish that myth showing instead that with a few notable exceptions Confederate commanders west of the Mississippi were homegrown not imported and compared well with their more celebrated peers elsewhere With its virtually nonexistent infrastructure wildly unpredictable weather and few opportunities for scavenging the Trans Mississippi proved a challenge for commanders on both sides of the conflict As the contributors to this volume demonstrate only the most creative minds could operate successfully in such an unforgiving environment While some of these generals have been the subjects of larger studies others including Generals Holmes Parsons and Churchill receive their first serious scholarly attention in these pages Clearly demonstrating the independence of the Trans Mississippi and the nuances of the military struggle there while placing both the generals and the theater in the wider scope of the war these eight essays offer valuable new insight into

Confederate military leadership and the ever vexing questions of how and why the South lost this most defining of American conflicts

Walker's Texas Division, C.S.A. Richard Lowe, 2006-04-01 Colorfully known as the Greyhound Division for its lean and speedy marches across thousands of miles in three states Major General John G Walker's infantry division in the Confederate army was the largest body of Texans about 12 000 men at its formation to serve in the American Civil War From its creation in 1862 until its disbandment at the war's end Walker's unit remained uniquely for either side in the conflict a stable group of soldiers from a single state Richard Lowe's compelling saga shows how this collection of farm boys store clerks carpenters and lawyers became the trans Mississippi's most potent Confederate fighting unit from the vain attack at Milliken's Bend Louisiana in 1863 during Grant's Vicksburg Campaign to stellar performances at the battles of Mansfield Pleasant Hill and Jenkins Ferry that helped repel Nathaniel P Banks's Red River Campaign of 1864 Lowe's skillful blending of narrative drive and demographic profiling represents an innovative history of the period that is sure to set a new benchmark

Tempest over Texas Donald S. Frazier, 2020-09-15 Tempest Over Texas The Fall and Winter Campaigns 1863 1864 is the fourth installment in Dr Donald S Frazier's award winning Louisiana Quadrille series Picking up the story of the Civil War in Louisiana and Texas after the fall of Port Hudson and Vicksburg Tempest Over Texas describes Confederate confusion on how to carry on in the Trans Mississippi given the new strategic realities Likewise Federal forces gathered from Memphis to New Orleans were in search of a new mission International intrigues and disasters on distant battlefields would all conspire to confuse and perplex war planners One thing remained however The Stars and Stripes needed to fly once again in Texas

and as soon as possible **No Pardons to Ask, Nor Apologies to Make** William Henry King, 2006 William Henry King began war service in 1862 in Louisiana and ended it in 1865 in Camden Arkansas During this period he chronicled action in the Trans Mississippi theater producing a diary that yields one of the most important accounts from a Confederate enlisted man No Pardons to Ask Nor Apologies to Make is a gritty look into the life of a soldier with no romantic gloss While most journals record the mundane day to day routine King s consistently detailed entries notable for their literary style King s venomous wit and his colorful descriptions cover a wide array of matters pertaining to the Confederate experience in the West King s observations about his superiors the Confederacy contraband and the underreported Trans Mississippi campaign are especially striking Though his long service demonstrates a certain loyalty to the Confederate cause he writes sharp criticisms of his superiors of military discipline and of contemporaneous social and class conditions His discontent is rooted within a fiery sense of independence that conflicts with centralized authority whether it takes the form of military government or class control Few published diaries capture the tension and turmoil that existed in the Southern ranks or the class resentment that festered in some quarters of the Confederacy No Pardons to Ask Nor Apologies to Make makes an important contribution to understanding how class functioned in the Confederate command and also provides a much needed account of action in the Trans Mississippi theater where the primary sources are extremely slim *Planting the Union Flag in Texas* Stephen A. Dupree, 2008-01-29 Appointed by President Lincoln to command the Gulf Department in November 1862 Nathaniel Prentice Banks was given three assignments one of which was to occupy some point in Texas He was told that when he united his army with Grant s he would assume command of both Banks then had the opportunity to become the leading general in the West perhaps the most important general in the war But he squandered what successes he had never rendezvoused with Grant s army and ultimately orchestrated some of the greatest military blunders of the war Banks s faults as a general writes author Stephen A Dupree were legion The originality of *Planting the Union Flag in Texas* lies not just in the author s description of the battles and campaigns Banks led nor in his recognition of the character traits that underlay Banks s decisions Rather it lies in how Dupree synthesizes his studies of Banks s various actions during his tour of duty in and near Texas to help the reader understand them as a unified campaign He skillfully weaves together Banks s various attempts to gain Union control of Texas with his other activities and shines the light of Banks s character on the resulting events to help explain both their potential and their shortcomings In the end readers will have a holistic understanding of Banks s appalling failure to win Texas and may even be led to ask how the post Civil War era might have been different had he been successful This fine study will appeal to Civil War buffs and fans of military and Texas history *Widows by the Thousand* M. Jane Johansson, 2007-01-01 This collection of letters written between Theophilus and Harriet Perry during the Civil War provides an intimate firsthand account of the effect of the war on one young couple Perry was an officer with the 28th Texas Cavalry a unit that campaigned in Arkansas and Louisiana as part of the division known as Walker s Greyhounds

His letters describe his service in a highly literate style that is unusual for Confederate accounts. He documents a number of important events including his experiences as a detached officer in Arkansas in the winter of 1862-63, the attempt to relieve the siege of Vicksburg, mutiny in his regiment, and the Red River campaign just before he was killed in the battle of Pleasant Hill. Harriet's writings allow the reader to witness the everyday life of an upper class woman enduring home front deprivations, facing the hardships and fears of childbearing and childrearing alone, and coping with other challenges resulting from her husband's absence.

Whispering the Strategies of Language: An Mental Quest through **Between The Enemy And Texas Parsonss Texas Cavalry In The Civil War**

In a digitally-driven world wherever monitors reign great and immediate connection drowns out the subtleties of language, the profound techniques and emotional nuances hidden within words usually go unheard. However, located within the pages of **Between The Enemy And Texas Parsonss Texas Cavalry In The Civil War** a charming literary treasure sporting with natural emotions, lies an extraordinary journey waiting to be undertaken. Composed by a skilled wordsmith, that wonderful opus attracts visitors on an introspective trip, lightly unraveling the veiled truths and profound impact resonating within ab muscles fabric of every word. Within the emotional depths of the touching evaluation, we shall embark upon a sincere exploration of the book is core subjects, dissect their fascinating writing model, and succumb to the effective resonance it evokes deep within the recesses of readers hearts.
