Beyond The Curse Women Called To Ministry:

Beyond the Curse Aída Besançon Spencer, 1985-01-01 Examines Christian attitudes and teachings about women argues that women are equal partners in ministry marriage and parenting and describes feminine metaphors used in the Scriptures to define the church and society

Beyond Sex Roles Gilbert G. Bilezikian, Gilbert Bilezikian, 2006-10 This first rate biblical and theological study offers an accessible examination of the key texts of Scripture pertinent to understanding female roles affirming full equality of the sexes in family and church The third edition has been revised throughout Gilbert Bilezikian avoids using scholarly jargon and complex argumentation in the main text of the book to encourage readers to interact with the biblical research The aim is for nonspecialized readers to be able to follow his discussion step by step evaluate arguments consider alternative views and arrive at independent conclusions The study guide format of the book is designed for either individual investigation or group work Pastors church leaders students and those interested in issues relating to gender and church life will value this classic work on the egalitarian viewpoint

Good News for Women Rebecca Groothuis, 1996-12-01 Most evangelical discussion of the gender issue has been spent in feverish debate over the exegetical intricacies of the traditional proof texts writes Rebecca Merrill Groothuis And though faithful exegesis is certainly crucial a myopic fixation on a handful of controversial biblical texts will not ultimately resolve the gender debate In Good News for Women Groothuis looks at the Big Picture the overall outline of biblical teaching on relationships between men and women This provides the foundation for examining the passages specifically relating to gender issues Written with the razor sharp insight that prompted critical acclaim for Groothuis first book Good News for Women shows that the broad sweep of biblical thought aligns more readily with gender equality than gender hierarchy traditionalist proof texts do not present an open and shut case in favor of universal male authority the traditionalist agenda on gender issues is neither helpful nor healthy for Christian women today

Gender Grace Mary Stewart Van Leeuwen, 1990-05-03 From brain structure and role models to the creation drama and the new covenant Mary Stewart Van Leeuwen helps us to understand more clearly the forces and the freedoms that shape our lives

Jesus and the Feminists? Margaret Elizabeth Köstenberger, 2008-10-17 This resource provides a detailed survey and critique of various feminist interpretations of Jesus and offers a biblical view of men and women in the church and home The feminist movement has affected every aspect of political and social America and Christians are becoming increasingly aware of how this movement has impacted the church The feminist movement has changed the way evangelicals view not only themselves but also the very Word of God Jesus and the Feminists begins by offering a brief survey of the feminist movement revealing the radical misunderstanding of Jesus that has resulted from this movement Köstenberger then critiques the relevant works of well known feminist scholars and the ways they interpret certain passages of Scripture related to Jesus and his approach to women This practical resource points the way to a better understanding of the biblical message regarding Jesus stance toward women and offers both men and women a biblical view

Created Male and Female Terrance Randall Wardlaw Jr., 2021-01-19 In a culture where gender neutrality is the ideal why is it significant that we were created differently as male and female As the ethical consequences of the gender debate in the last generation manifest themselves this book explores biblical teaching in order to work toward a Christian perspective This discussion traces the theme of creation as male and female through the canon from the Pentateuch to the epistles and demonstrates how Pauline interpretation flows from Genesis 1 3 The grounding of the distinction between male and female in Genesis 1 as the climax of creation suggests the ethics associated with creation as male and female abide universally and for all time This book intends to present a comprehensive yet reasonably concise presentation of biblical teaching on creation as male and female without bogging down in the detailed disputes between complementarian and egalitarian writers This discussion considers each passage within its literary context and patristic writers from the first few centuries of the church function as a control on interpretation
