## **Better Safe Than Sued Keeping Your Students And Ministry Alive:**

**Better Safe than Sued** Jack Crabtree, 2009-07-27 Most youth workers will admit that they don't spend a lot of time thinking about safety in their youth ministry. Sure they shout Seat belts when the crew loads into the van or they use the buddy system when at theme parks. But beyond that they're mostly concerned with introducing students to Jesus. Nothing's wrong with looking after their spiritual well-being but overlooking their safety can lead to pain and problems for you, your students, your church or your community. The reality is whether it's a game of dodgeball in the church gym or a rock climbing trip during a summer retreat you have precious cargo in your care and it's your responsibility to make sure they return home safely and in one piece. **Better Safe Than Sued** is an essential guidebook for anyone in youth ministry, paid or volunteer, veteran or rookie. Along with questions to get you thinking about your own ministry context after each chapter, inside you'll discover how you can make your ministry a safe place for students and leaders as you read about Safety while riding in buses, vans and cars; Camps, retreats and conferences; Selecting staff; Avoiding sexual misconduct; Establishing a No Bully Zone; How to handle injuries and much more. Make sure your ministry is safe and that you're protected so you never have to be the one saying, "I never took safety seriously until..." [The Youth Ministry Survival Guide](#) Len Kageler, 2008 Youth pastors often burn out, bail out and are pushed out of ministry. In this book you'll be given practical insights and action steps to help you build fences against failure.

**Keeping Your Children's Ministry on Mission** Jared Kennedy, 2022-02-23 Practical Strategies for Gospel-Centered Children's Ministry. When building a children's ministry at a church, there is so much to consider. Which curriculum should we use? How many volunteers do we need? How do we keep parents in the loop? And that's before we run into stalled check-in computers, missing activity sheets and floors that need to be vacuumed. While all of the tasks of children's ministry are important, leaders can get easily distracted with the everyday work of doing ministry and lose sight of the main focus: the gospel. Writing from personal ministry experience, Jared Kennedy shares a four-fold approach for gospel-centered, missional children's ministry: hospitality, teaching, discipleship and mission. This practical resource covers a variety of topics ranging from creating child protection policies to putting together lesson plans to catechism, helpful for children's ministers and volunteers alike as they disciple children with the powerful message of the gospel. Applicable. Includes questions for reflection and evaluation. Helps Leaders Disciple the Next Generation. Features advice for sending kids and their families on mission. Ideal for Nursery, 5th Grade Teachers and Leaders. A practical and helpful resource for children's ministries. Published in conjunction with the Gospel Coalition TGC.

**When Church Kids Go Bad** Les Christie, 2008 You may have an amazing program and be well connected to your students, but that doesn't always guarantee a problem-free ministry. Whether it's the guy in the back of the room who's always causing trouble or the girl in the corner with a look of indifference, disruptive and apathetic students can hinder the effectiveness of your ministry. But you don't have to let discipline problems drive you out of youth ministry or out of your mind. In this practical book, youth ministry veteran Les Christie will help you

take a positive approach to discipline when it becomes necessary When Church Kids Go Bad will reveal the reasons behind problem behavior and show you how to take a positive approach to discipline teach you how to use rules and consequences effectively help you evaluate your strengths and weaknesses in discipline situations and improve your areas of weakness give you dozens of specific practical helpful ideas you can use immediately with your students In addition to addressing the issues that are common to any youth ministry setting Les will also give special attention to issues that present even more challenge such as alcoholism and vandalism students with learning differences and teens with attention deficit disorders After reading this book you ll feel confident in your ability to use discipline as a tool to keep your group from disintegrating into chaos and frustration and you ll be equipped to prevent future problems from popping up      **Keeping Religious Institutions Secure**

Jennie-Leigh McLamb,2015-04-13 Keeping Religious Institutions Secure explores the unique vulnerabilities that churches synagogues and mosques face in regards to security making them attractive to criminals who see them as easy targets The text illustrates why all places of worship should think about security and the types of breaches that can drive people away The book focuses on the most frequent security concerns experienced by houses of worship including embezzlement vandalism assault hate crime and in rare cases an active shooter and how to help prevent them from occurring Beginning with an overview of the basic security concepts and principles that can enhance the security of any religious facility it then delves deeply into the particular security concerns of houses of worship including the use of volunteers protecting religious leaders ensuring safety for children and teens interacting with local law enforcement handling the media and much more Covers security best practices that are adaptable to any type of religious institution Addresses the key security measures physical electronic environmental and procedural for protecting people and facilities Includes guidance on identifying threats and vulnerabilities and instituting countermeasures for deterring crime and violence      If I Knew Then What I Know Now

Len Woods,2010-01-05 Everyone makes mistakes But why make the same ones that other youth workers have already learned tough lessons through Whether you re a youth ministry volunteer or you ve just stepped into a full time youth ministry position chances are that you don t know everything not yet anyway Here you ll find wisdom from seasoned veterans who have been there and done that so you can avoid the pitfalls they ve found themselves facing With true stories from real youth workers you ll get the truth that you just don t learn in your seminar classes or volunteer training meetings With thought provoking questions relevant Scripture and practical applications you ll learn from some of the common but avoidable blunders of youth ministry veterans such as Soul care slip ups Team building terrors Relationship errors Parent problems or is it problem parents Programming pitfalls Budget blunders Moral minefields Authority ailments Crisis control While most people will cover up their mistakes and hope to never be found out these brave youth workers are laying it all out there so you don t have to make the same mistakes Let their encouragement and wisdom be your most read training manual      **Encyclopedia of Christian Education** George Thomas Kurian,Mark A.
