Better Together Discovering The Dynamic Results Of Cooperation:

Better Together Paul Fleischmann, 2015-02-13 We Need Each Other Better Together shows dramatic evidence of what can happen when we lay aside our logos and egos and unite for a cause that really matters Hear the story of how leaders from 21 national youth ministries met for what they thought was a one time meeting how their shared burden for teenagers drove them to their knees and how the resulting unity was the catalyst for founding the National Network of Youth Ministries Today there is a broad coalition that is reaching and discipling teenagers for Christ in communities across America and around the world Better Together shares the experiences and twelve timeless principles that emerged over 30 years as essential for effectiveness in working together Take a journey down a path where God's footprints from the past lead to His signposts for a future of greater effectiveness through cooperation

Designed for More Lucas Ramirez, 2018-06-12 Designed for More calls every Christian to consider how through collective movement they can bring about Christ's daring vision for unity in the Church to impact the world like never before Our world is divided and fragmented Even among followers of Christ God's great story of reconciliation has been crippled because the messengers of that story are unreconciled But God designed us for so much more Thankfully He has hidden incredible lessons in nature to help solve complex human problems Designed for More draws groundbreaking implications for how to achieve unity and collective movement through new research on a jaw dropping phenomenon of flocking starlings known as a murmuration This marvel is one of nature's most spectacular sights Imagine hundreds of thousands of birds in motion caressing the sky like a brush on canvas It is a beautiful madness that is completely ordered Join authors Lucas Ramirez and Mike DeVito as they unveil the power of the murmuration principles in order to inspire unity in individuals and the Church as a whole Birds first taught us to fly and now they will teach us to unify
