

The background of the cover features a romantic scene of two young men. One man, with curly brown hair and glasses, is smiling and wearing a light green t-shirt. The other man, with straight brown hair, is leaning his head against the first man's shoulder and wearing a light pink polo shirt. In the bottom right corner, there is a small, faded silhouette of a couple walking hand-in-hand on a beach.

Broken Silence Felice Stevens,2019-11-15 A Professor Student Age Gap Gay Romance Justin Molina has secrets He s served his time but remains a prisoner of his past unable to forgive himself for failing his family when they needed him most Justin s grief is overwhelming but he keeps silent and focuses on his goals About to graduate college he tries to keep his head above water no matter how many times life keeps knocking him down When he s forced to register for a poetry writing class Justin discovers putting words to his feelings might be exactly what his fractured heart needs to heal Or is it the older professor with the bow ties and gentle smile who gives him a chance when no one else will Professor Foster Faraday Harding is a broken man His divorce is final and he s reverted back to the safety of his books Even his poetry no longer brings him joy he s sleepwalking through life

The raw emotion of Justin's poetry awakens Foster to desires he thought long buried in the ashes of his marriage. When he discovers Justin is struggling financially, Foster offers him a solution that benefits both of them. Soon it's Foster who's struggling with emotions he can't understand. Justin is his student. And a man. One crazy night years earlier doesn't mean anything. Foster is straight. After months of denying the growing attraction between them, an unexpected kiss changes everything. Justin and Foster are no longer only professor and student; they've become lovers, but the strain of hiding their relationship increases with each passing day. Words have the power not only to hurt but to heal the greatest pain. If Foster and Justin listen to what their hearts are saying, they might break through their silence and live their own love poems together.

One Step Further Felice Stevens, 2015-06-25 Alex Stern has it all: good looks, charm, a job he loves, and everyone calls him a friend. He lives life to the fullest at a breakneck pace in the city that never sleeps. But Alex is also a master pretender; not even his best friend sees the pain that Alex hides so well. Alex himself isn't sure who he is or what he's searching for; he only knows that he hasn't found it yet. As a veterinarian, Rafe Hazelton loves each animal that crosses his path; they don't care if he stutters a bit or that he prefers men. Their love is unconditional, but his life is still empty; they can only give him so much. New friendships convince him it's time to break the wall of loneliness he's hidden behind since childhood and discover what he's been missing. Alex and Rafe forge a friendship that turns physical, and they both swear that the relationship will last only as long as the fun does. But when old heartaches come to light and secrets hidden for years are revealed, Alex and Rafe discover if they accept what's in their hearts and take it one step further, the greatest reward is waiting for them in the end.

One Call Away Felice Stevens, 2019-05-04 A First Time Coming Out Gay Romance. When a brutal attack from a jealous competitor leaves Noah Strauss, darling of the modeling world, physically scarred and emotionally damaged, he quits the runway to become a psychologist. Using his contacts from his time in the spotlight, he creates *One Call Away*, a radio show dedicated to gay men looking for love advice or someone to talk to. But with secrets of his own and a mother who refuses to understand the career path he's chosen, the one person Noah can't seem to help is himself. On a drunken dare from the senior partner's grandson, Oren Leavitt, calls Noah's radio show, pretending to be gay. Only Oren isn't certain if he's pretending. He's left his strict Orthodox Jewish upbringing behind, but the guilt remains. Guilt that his actions have prevented his sister from finding a husband and guilt that he's failed his parents. Talking to Dr. Noah helps, and as he finds himself calling the man again and again, he knows he must be honest. But Oren is unsure if he's lying to Noah or himself. For Noah, trust is paramount; he's been deceived in his personal and professional life, and while he desperately wants to help Oren, he also finds himself falling for the sweet and tortured man. Oren is trapped; he risks losing his job and, more importantly, the love and security of his family, but knows he can't hide if he wants to be with Noah. When unresolved heartaches from the past rise up to control the present, Noah and Oren discover that love often comes from the most unexpected places, and sometimes a call for help not only saves a life, it can be a new and beautiful beginning.
