Between Life And Death:

The Line Between Life, Death & Love Sarah Aila, 2012-10 No one ever said life was easy But I thought that you know after losing a loved one things might start letting up for once I couldn't be more wrong If someone had told me that two of the most masculine men I'd ever come across would be after me in a matter of weeks I'd have blushed laughed and moved on If someone had told me that I had another half that'd been lying dormant all this time until my family's loss I'd have gotten mad and punched them in the face for being ridiculous and inconsiderate If someone had just had the decency to tell me that I would have to choose a side I would have run as fast as I could But no one had told me Now my normal day consists of guiding spirits fighting off demons almost dying and falling in love with two men who wanted me for reasons of their own My name is Jane Rivers Welcome to my life
