Beyond Borders Thinking Critically About Global Issues:

Instructor's Resource Guide to Accompany "Beyond Borders, Thinking Critically about Global Issues" Compiled By] Paula S. Rothenberg Paula S. Rothenberg, 2006 Beyond Borders Paula S. Rothenberg, 2006 This interdisciplinary collection of 82 articles is designed to bring today's most pressing issues into the classroom and help prepare college students to assume their roles as members of an increasingly global community **Servant-Leadership and Forgiveness** Jiyong Song, Dung Q. Tran, Shann Ray Ferch, Larry C. Spears, 2020-08-01 In a world where leaders and organizations face conflicts and complexity at an alarming rate where human cruelty sometimes dominates kindness in individuals and families and where nations hover in the shadow of moral and financial collapse how do we find courage to forge a strong and enduring path into the future In a fresh and profound approach to the personal organizational and global dynamic discerning leaders consider the role of leadership and forgiveness in the midst of political and social upheaval The epicenter of Servant Leadership and Forgiveness speaks to leadership the heart of the leader and the power of forgiveness It is a compilation of insightful life transformative and significant essays on the nexus of servant leadership and forgiveness in everyday life the organizational world and international contexts The hope of the book is that people of all ages and creeds will engage in a deeper conversation around forgiveness and leadership specifically servant leadership and reach greater personal and collective responsibility for leadership that helps heal the heart of the world through forgiveness American Citizen, Global Citizen Mark Gerzon, 2010 Sweeping the globe from Seoul to Amsterdam London to Japan American Citizen Global Citizen is now being released for the first time in the United States It is not enough for us to wait for everyone else to fix the problems that plague our world We must realize our global common ground in every aspect of our lives and become aware of the basic skills that will enable us to be effective anywhere on this planet Learn how to give yourself a richer and more meaningful life and pass along a better world for generations to come Publisher's description **Global Mountain Regions** Ann Kingsolver, Sasikumar Balasundaram, 2018-09-01 Works exploring the responses of global mountain communities to the shared challenges and opportunities their unique locations afford them No matter where they are located in the world communities living in mountain regions have shared experiences defined in large part by contradictions These communities often face social and economic marginalization despite providing the lumber coal minerals tea and tobacco that have fueled the growth of nations for centuries They are perceived as remote and socially inferior backwaters on one hand while simultaneously seen as culturally rich and spiritually sacred spaces on the other These contradictions become even more fraught as environmental changes and political strains place added pressure on these mountain communities Shifting national borders and changes to watersheds forests and natural resources play an increasingly important role as nations respond to the needs of a global economy The works in this volume consider multiple nations languages generations and religions in their exploration of upland communities responses to the unique challenges and opportunities they share From paintings to digital mapping

environmental studies to poetry land reclamation efforts to song lyrics the collection provides a truly interdisciplinary and global study The editors and authors offer a cross cultural exploration of the many strategies that mountain communities are employing to face the concerns of the future Global Mountain Regions is an outstanding addition to the inventory of the interdisciplinary field of montology the study of mountains For any scholar or student interested in the human dimensions of mountain regions many if not all of the essays will be valuable references American Ethnologist *Through the Global Lens* Michael Strada,2021-04-14 *Through the Global Lens* uses a global perspective to analyze human affairs This text looks at each of the six social sciences sociology anthropology political science economics psychology and geography and uses case studies feature film analyses maps and photos to highlight important historical events and concepts throughout Human Rights and Social Justice in a Global Perspective Susan C. Mapp,2020-07-17 Social workers are global actors From protecting the rights of individuals to working through the lasting impact of regional or international conflict it is important to acknowledge the impact international social issues have on the work of social workers In the third edition of *Human Rights and Social Justice in a Global Perspective* Susan C Mapp utilizes the human rights approach to examine social issues in the Global South including AIDS human trafficking war and conflict and climate change Using the Universal Declaration of Human Rights as well as other UN human rights documents as a framework to examine social injustice and human rights violations these issues are explained holistically to allow readers to understand the cultural context in which they arise and why they persist in society today Each chapter closes with a Culture Box which offers an in depth look into the issue in and cultural impacts surrounding a specific country Mapp provides suggestions for affecting change on every issue both as a professional social worker and in one s personal life making this an ideal text for those looking to engage with international social work **Encyclopedia of Transnational Crime and Justice** Margaret E. Beare,2012-04-26 Accessible and jargon free and available in both print and electronic formats the one volume *Encyclopedia of Transnational Crime and Justice* contains a range of up to date entries that not only reflect transnational crime but transnational justice **Contesting Water Rights** Mangala Subramaniam,2018-04-21 As globalization processes and related neoliberal agendas promote privatization through state action people s struggles for rights to water have intensified In this context this book examines the role of the ambivalent state in local struggles for water which are deeply intertwined with global forums that support and or challenge the privatization of water resources These local global struggles have redefined the relationships between the state corporations and other social actors that impact the local politics of inequality and marginalization The Other People M. Wilkes Karraker,2013-05-14 This book offers an interdisciplinary and accessible approach to issues of global migration in the twenty first century in 13 essays plus an appendix written by scholars and practitioners in the field
