Buddhism: A Guide to the Fundamental Beliefs and Traditions of Buddhism (Beginner's Guide to Understanding & Practicing Buddhism to Become Stress and Anxiety Free) Grant Robinson, In buddhism this thoughtful and carefully detailed guidebook acts as a beginner s guide to those who may be interested in learning more about this ancient and wise practice Placing emphasis on meditation yoga and understanding the core concepts of buddhism allows the reader to apply its teachings to make their lives fuller and healthier If you are curious about buddhism and want to find the answers you seek

then look no further than this qualitative guidebook Full of information on the various aspects of buddhism meditation yoga and more buddhism stands apart as a concise and practical guide to infusing your life with its many teachings Learn about the deceptively simple truths of this enigmatic religion including The life of buddha and his continuing influence throughout the world Buddha s teachings and the four noble truths of buddhism The noble eightfold path and how it should guide you What the sutras say about education marriage sex and death The proven physiological effects of meditation The growing impact of buddhism on modern american culture Buddhism is one of the oldest religions in the world but until recently it has been unknown and inaccessible outside of asia This book will provide you an introduction to the history of buddhism and its teachings and practices Along with buddhist philosophies there are many practices to incorporate into your daily life such as meditation and mindfulness to help calm your mind reduce stress and anxiety *Bearing False Witness?* Douglas E. Cowan,2003-05-30 From Hare Krishna to the Latter Day Saints and from Jehovah s Witnesses to the New Age religious pluralism in North American presents evangelical Protestantism with significant challenges Declaring newer religious groups cults aberrant sects and heretical religions the Christian countercult movement has warned that these groups represent a threat to society In *Bearing False Witness* R Cowan considers the Christian countercult as a whole locating it in sociological perspective as an entity distinct from the secular anti cult Through his analysis the author argues that the primary purpose of the countercult movement is to reinforce and repair the Christian worldview when it appears threatened by the advent of alternative religious traditions This unique analysis of the Christian countercult helps explain why conservative Christian responses to competing religious movements have taken the form that they have in addition to how those responses are carried out Unlike the anti cult movement which is concerned with removing individuals from cults and returning them to their families the Christian countercult movement according to the author attempts not only to remove cultists from the negative influences of the cults to which they belong but also to insure that they will join the particular version of Christianity adhered to by the countercultists themselves Beginning with the countercult s early history the author provides an historical account of the movement and its present activities Since the rise of new religious movements the growing interest in religions imported from outside North America and the broadening of the religious marketplace continues to grow understanding the Christian countercult and its presence as a countervailing pressure to these increasingly socioreligious dynamics becomes ever more important **Jesus Beyond Christianity** Gregory A. Barker,Stephen E. Gregg,2010-01-28 This anthology brings together historic readings on Jesus from Judaism Islam Hinduism and Buddhism in one volume The volume provides fresh translations of important texts Key Issues introductions notes questions for discussion and guides for further reading Each set of readings ends with a reflection from a leading scholar in the field **Confucianism and Spiritual Traditions in Modern China and Beyond** Fenggang Yang,Joseph Tamney,2011-11-11 Confucianism is reviving in China and spreading in America This multidisciplinary volume includes philosophical and theological articulations of

Confucianism and other spiritual traditions for the modern and globalizing world and empirical studies of and analytical reflections on Confucianism and other traditions in Chinese societies by historians sociologists and anthropologists
