Beyond Citizenship American Identity After Globalization

Stanley A. Renshon

Beyond Citizenship American Identity After Globalization:

Beyond Citizenship Peter J. Spiro, 2008-02-01 Spiro takes readers on an engaging historical and conceptual exploration of how citizenship law has set and reflected the boundaries of national community and an American national character Against this broad tableau Spiro shows how territorial presence through birth or residence resolved the peculiar challenges of American identity But as globalization eclipses the significance of space citizenship status becomes detached from any sense of actual community on the ground The global diffusion of American political values and cultural production further erodes the possibility of a drawing a meaningful line between the us and them

Within and Beyond Citizenship Roberto G. Gonzales, Nando Sigona, 2017-07-06 Within and Beyond Citizenship brings together cutting edge research in sociology and social anthropology on the relationship between legal status rights and belonging in contemporary societies of immigration to offer a daring new perspective on these questions It offers new insights into the ways in which political membership is experienced spatially and bureaucratically constructed and actively negotiated and contested in the everyday lives of citizens and non citizens

American Identity and the Politics of Multiculturalism Jack Citrin, David O. Sears, 2014-08-11 The civil rights movement and immigration reform transformed American politics in the mid 1960s Demographic diversity and identity politics raised the challenge of e pluribus unum anew and multiculturalism emerged as a new ideological response to this dilemma This book uses national public opinion data and public opinion data from Los Angeles to compare ethnic differences in patriotism and ethnic identity and ethnic differences in support for multicultural norms and group conscious policies The authors find evidence of strong patriotism among all groups and the classic pattern of assimilation among the new wave of immigrants They argue that there is a consensus in rejecting harder forms of multiculturalism that insist on group rights but also a widespread acceptance of softer forms that are tolerant of cultural differences and do not challenge norms such as by insisting on the primacy of English

The Oxford Handbook of Citizenship Ayelet Shachar, Rainer Bauboeck, Irene Bloemraad, Maarten Vink, 2017-08-03 Contrary to predictions that it would become increasingly redundant in a globalizing world citizenship is back with a vengeance The Oxford Handbook of Citizenship brings together leading experts in law philosophy political science economics sociology and geography to provide a multidisciplinary comparative discussion of different dimensions of citizenship as legal status and political membership as rights and obligations as identity and belonging as civic virtues and practices of engagement and as a discourse of political and social equality or responsibility for a common good The contributors engage with some of the oldest normative and substantive quandaries in the literature dilemmas that have renewed salience in today s political climate As well as setting an agenda for future theoretical and empirical explorations this Handbook explores the state of citizenship today in an accessible and engaging manner that will appeal to a wide academic and non academic audience Chapters highlight variations in citizenship regimes practiced in different countries from immigrant states to non western contexts from settler societies to newly independent states

attentive to both migrants and those who never cross an international border Topics include the selling of citizenship multilevel citizenship in between statuses citizenship laws post colonial citizenship the impact of technological change on citizenship and other cutting edge issues This Handbook is the major reference work for those engaged with citizenship from a legal political and cultural perspective Written by the most knowledgeable senior and emerging scholars in their fields this comprehensive volume offers state of the art analyses of the main challenges and prospects of citizenship in today s world of increased migration and globalization Special emphasis is put on the question of whether inclusive and egalitarian citizenship can provide political legitimacy in a turbulent world of exploding social inequality and resurgent populism **Beyond a**

Border Peter Kivisto, Thomas Faist, 2009-12-08 The most up to date analysis of today s immigration issues As the authors state in Chapter 1 the movement of people across national borders represents one of the most vivid dramas of social reality in the contemporary world This comparative text examines contemporary immigration across the globe focusing on 20 major nations Noted scholars Peter Kivisto and Thomas Faist introduce students to important topics of inquiry at the heart of the field including Movement Explores the theories of migration using a historical perspective of the modern world Settlement Provides clarity concerning the controversial matter of immigrant incorporation and refers to the varied ways immigrants come to be a part of a new society Control Focuses on the politics of immigration and examines the role of states in shaping how people choose to migrate Key Features Provides comprehensive coverage of topics not covered in other texts such as state and immigration control focusing on policies created to control migratory flow and evolving views of citizenship Offers a global portrait of contemporary immigration including a demographic overview of today s cross border movers Offers critical assessments of the achievements of the field to date Encourages students to rethink traditional views about the distinction between citizen and alien in this global age Suggests paths for future research and new theoretical developments

Citizenship after Yugoslavia Jo Shaw, Igor Štiks, 2013-10-31 This book is the first comprehensive examination of the citizenship regimes of the new states that emerged out of the break up of Yugoslavia It covers both the states that emerged out of the initial disintegration across 1991 and 1992 Slovenia Croatia Bosnia Herzegovina the Federal Republic of Yugoslavia and Macedonia as well as those that have been formed recently through subsequent partitions Serbia Montenegro and Kosovo While citizenship has often been used as a tool of ethnic engineering to reinforce the position of the titular majority in many states in other cases citizenship laws and practices have been liberalised as part of a wider political settlement intended to include minority communities more effectively in the political process Meanwhile frequent re definitions of these increasingly overlapping regimes still provoke conflicts among post Yugoslav states This volume shows how important it is for the field of citizenship studies to take into account the main changes in and varieties of citizenship regimes in the post Yugoslav states as a particular case of new state citizenship At the same time it seeks to show scholars of post Yugoslavia and the wider Balkans that the Yugoslav crisis disintegration and wars as well as the current functioning of

the new and old Balkan states together with the process of their integration into the EU cannot be fully understood without a deeper understanding of their citizenship regimes This book was originally published as a special issue of Citizenship Studies

Migration Theory Caroline B. Brettell, James F. Hollifield, 2022-07-01 The revised fourth edition of Migration Theory continues to offer a one stop synthesis of contemporary thought on migration Editors Caroline B Brettell and James F Hollifield remain committed to include coverage that is comparative and global in scope while enhancing similarities and differences between one academic field and the next All chapters have been revised to highlight cutting edge issues in the field of migration studies today The fourth edition welcomes two new authors Professors Marie Price and Fran ois H ran to offer a fresh approach with their chapters on geography and demography respectively Designed for undergraduate and graduate courses in migration studies a primary goal of the text is to assist instructors in guiding students who may have little background on migration to understand important issues and the scientific debates This ensures Migration Theory is a highly valuable guide not only to the perspectives of one s own discipline but also to those of cognate fields

Noncitizen Voting and American Democracy Stanley A. Renshon, 2009-08-16 Continuing large scale migration to the United States raises the question of how best to integrate new immigrants into the American national community Traditionally one successful answer has been to encourage immigrants to learn our language culture history and civic traditions New immigrants would then be invited become citizens and welcomed as full members of the community However a concerted effort is underway to gain acceptance for and implement the idea that the United States should allow new immigrants to vote without becoming citizens It is mounted by an alliance that brings together progressive academics law professors local and state political leaders and community activists all working to decouple voting from American citizenship Their effort show signs of success but is it really in America s best interests to allow new immigrants to have the vote Their proposals have been much advocated but little analyzed Neither a polemic nor a whitewash Stanley A Renshon provides a careful analysis of the arguments put forward by advocates of this position on the basis of fairness increasing democracy civic learning and moral necessity and asks Do they really help immigrants become Americans

Sensing the Nation's Law Stefan Huygebaert, Angela Condello, Sarah Marusek, Mark Antaki, 2018-03-22 This book examines how the nation and its fundamental law are sensed by way of various aesthetic forms from the age of revolution up until our age of contested democratic legitimacy Contemporary democratic legitimacy is tied among other things to consent to representation to the identity of ruler and ruled and of course to legality and the legal forms through which democracy is structured This book expands the ways in which we can understand and appreciate democratic legitimacy If democratic communities are imagined this book suggests that their rightfulness must be sensed analogously to the need for justice not only to be done but to be seen to be done This book brings together legal historical and philosophical perspectives on the representation and iconography of the nation in the European North American and Australian contexts from contributors in law political science history art history

and philosophy **Nation State and Immigration** Professor Anita Shapira, Yedidia Z. Stern, Alexander Yakobson, 2014-11-01 For the last two centuries the nation state has posed a formidable challenge to multinational empires. It has served as a base for modernisation, secularisation and democratisation and also for the formation of totalitarian regimes. Today the nation state faces challenges from multiple directions. National minorities demand self-determination while religious forces challenge secular governments and global migration movements undermine the cultural uniformity once considered essential for the formation and preservation of nation states. This is the third of a three-volume set detailed below which addresses key challenges facing the contemporary nation state from a global perspective but with special emphasis on the Middle East and Israel. Publication reflects research conducted under the auspices of The Israel Democracy Institute's Nation State Project which analyses Israel's complex reality in which a Jewish majority contends with an Arab minority, ultra-Orthodox religious forces reject the authority of the nation state and an immigrant society exhibits substantial cultural and ethnic variance. Volume III explores the cultural, social and political effects of immigration on the contemporary nation state, its character, cohesion and possible future as well as on contemporary liberal democracy. Contributions deal with such issues as different liberal approaches to the issue of immigration and immigrant integration, nation-building narratives and their implications for immigrants and minorities, citizenship tests and integration policy in the United States and in Europe as well as Israel's Law of Return and the debate about it and other aspects of immigration policy.

Beyond Citizenship American Identity After Globalization Introduction

In the digital age, access to information has become easier than ever before. The ability to download Beyond Citizenship American Identity After Globalization has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Beyond Citizenship American Identity After Globalization has opened up a world of possibilities. Downloading Beyond Citizenship American Identity After Globalization provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Beyond Citizenship American Identity After Globalization has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Beyond Citizenship American Identity After Globalization. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Beyond Citizenship American Identity After Globalization. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Beyond Citizenship American Identity After Globalization, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Beyond Citizenship American Identity After Globalization has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Beyond Citizenship American Identity After Globalization Books

What is a Beyond Citizenship American Identity After Globalization PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Beyond Citizenship American Identity After Globalization PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Beyond Citizenship American Identity After Globalization PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Beyond Citizenship American Identity After Globalization PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Beyond Citizenship American Identity After Globalization PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
