CHANGING THE BATTERY

Change the battery when the watch becomes slow, the readout darkens or does not appear, or the backlight fails. Before removing the old battery, be sure to denote its polarity so that the new battery is installed in exactly the same way. Replace with the same kind or equivalent only. This watch contains precise electronic components and should only be opened by a qualified watch technician. However, it is not necessary to return your watch to the manufacturer for battery replacement. It is recommended that you bring your timepiece to a local jeweler.

WATER RESISTANCE

This is a **WATER RESISTANT** watch. Do not operate push buttons below the surface of the water. Should water or condensation appear in the watch, immediately have the watch checked. Water can corrode electronic parts inside the case.
