the common experiences and habits of everyday people and *The Modern Farmer* which takes a humorous look at the challenges of farming in the early 20th century Overall Bill Nye's *Red Book* is a lighthearted and entertaining read that showcases Nye's wit and humor **Books in Print** ,1991 **Subject Guide to Books in Print** ,1997 **Bibliography of American Literature: Augustus Baldwin Longstreet to Thomas William Parsons** Jacob Blanck,1955 *Bill Nye's Red Book* Bill Nye,2020-04-13 Looking over my own school days there are so many things that I would rather not tell that it will take very little time and space for me to use in telling what I am willing that the carping public should know about my early history I began my educational career in a log school house Finding that other great men had done that way I began early to look around me for a log school house where I could begin in a small way to soak my system full of hard words and information For a time I learned very rapidly Learning came to me with very little effort at first I would read my lesson over once or twice and then take my place in the class It never bothered me to recite my lesson and so I stood at the head of the class I could stick my big toe through a knot hole in the floor and work out the most difficult problem This became at last a habit with me With my knot hole I was safe without it I would hesitate **Bill Nye's Red Book New Edition** Bill Nye,2016
