Binary Cycle Revelations Binary Cycle Saga Book 2:

What Does the Bible Say? Mary Ann Beavis, HyeRan Kim-Cragg, 2017-04-25 This book is a collaboration between a biblical scholar Mary Ann Beavis and a practical theologian HyeRan Kim Cragg who are concerned with the way that the Bible is portrayed and interpreted in popular culture including but not limited to the movies This concern points to a need for a conversation examining what the Bible actually says in order to uncover transformations and distortions of the biblical stories in the wider culture including Christian culture Our conversation is counter cultural not in an oppositional way but taking an alternative posture that aims to provide different insights by drawing from and closely looking at the Bible The chapters take a Christian canonical approach articulating what the Bible says and doesn't say with regard to culturally pervasive themes such as sin and salvation Christ and Antichrist heaven and hell in contrast to popular understandings as disseminated in primarily film advertising television etc We hope that together we will open up fertile academic ecclesial and secular space for disclosing loaded cultural and ideological views towards offering positive and intriguing insights embedded in the Bible
