Angels And Demons From Creation To Armageddon:

Angels and Demons Joseph Lumpkin, 2009-05 Are Angels Seraphim and Cherubim exactly as the scriptures describe them spiritual beings made by God for His service Are Demons those same beings acting contrary to their natural purpose There are many unanswered questions and coincidental occurrences Presented to the reader is the data from history and many ancient texts which forced us to question our traditional beliefs This book draws no conclusions but only ask those questions shouting to us from recently unearthed scrolls which are thousands of years old Whether one starts with a totally open mind or with an assumption that the beings in the pages of history are from a different space time or dimension this book will rock your beliefs

Angels and Demons Joseph B Lumpkin, 2020-04-26 This is the history and the future events of Angels and Demons Events are taken from the oldest Jewish and Christian texts ever written Details are examined questioned and combined into a panoramic book Three times creation fell Three times Gods declared a separation once in heaven once on earth and once between the two Three times God s creation violated his will so the earth and all therein suffered or so we are told There was a great war in heaven and Lucifer prince of the angels declared his intention to seize the throne of the Most High God Fueled by arrogance and pride he whipped up support promising one third of the angels a place in his new kingdom if they followed him It was a choice to serve God or rule a piece of what would be left after heaven was destroyed They thought it better to rule in chaos than serve in paradise The war was on But his plan did not work Even though Lucifer was the pinnacle of God s angelic creation and the greatest of all angels he could not defeat the warrior Michael and the army that remained for God empowered the host advancing his will With the rage of the vanquished prideful Lucifer now known as Satan continued his attack not against the heavenly host that had defeated him but against the helpless creation of the God he so hated This was to be the cause of the fall of man Part of the heavenly host still obedient to God were fulfilling their appointed duties These were called The Watchers They were assigned to record the deeds of man and watch over the creation accounting for its activities It was after the fall of the angels and after the fall of man when mankind began to populate the earth that the Watchers noticed the emerging beauty of the human women These spiritual beings saw the women of the earth and wanted them They sought to taste the love and lust that drove men So they did and 200 Watchers fell from the spiritual world to the baser physical realm The consequences would literally haunt mankind forever

The Prominence Book of Faith Kamran Pirnahad, 2012-06-08 Prominence system of faith consists of a diverse spiritual culture which could strengthen the readers ability to enjoy the presence of God and rejoice in his Spirit Prominence is the path to a spiritual pure and elaborate independent relationship between God Humanity and the Truth It is a lifetime effort to elaborate the Truth

Woe! Woe! and Then Armageddon John A. Pinkston,2011-04-14 One third of the Bible concerns prophecy and yet our religious leaders often do not understand these prophecies and do not teach them Most scriptural prophecies reside in the Old Testament and in Revelation in the New Testament and most direct our attention to the final years of human government on this earth These final years are here at last In Woe Woe Woe And then Armageddon A Prophecy of the End Time minister and author John A Pinkston guides us deep into understanding of biblical prophecy and how it links to history and to the present where catastrophic and foretold events are driving inexorably toward the return of Jesus Christ and the battle of Armageddon Pinkston does not claim to be a prophet but his forty years of experience in ministry and extensive research into biblical prophecies help him understand how current worldwide events are leading to the fulfillment of the words of the Old and New Testaments With full scriptural support each chapter explores in depth a prophecy of the Bible and the issues it raises The Bible the Word of God holds the answers to all questions about prophecy and the end time and there is no greater question than What should we do now To that the Bible offers the only advice If my people which are called by my name shall humble themselves and pray and seek my face and turn from their wicked ways then will I hear from heaven and will forgive their sin and will heal their land II Chronicles 7 14
