Beautifully Bipolar An Inspiring Look Into Mental Illness:

Beautifully Bipolar Erin Callinan, 2013 *Healing Depression & Bipolar Disorder Without Drugs* Gracelyn Guyol, 2009-05-26 When Gracelyn Guyol was diagnosed in 1993 with a mild form of bipolar disorder also known as manic depression she was prescribed a commonly used antidepressant. Soon she developed breast cysts and benign tumors a possible side effect of the antidepressant. She went off the drug and within two months her tumors disappeared. Under the care of a naturopath Guyol embarked on a quest to educate herself about the underlying genetic hormonal and other causes of depression and bipolar disorder. She investigated many natural therapies including diet vitamins herbal treatments and energy healing before finding the solutions that have kept her free of depression and bipolar symptoms since 2002. *Healing Depression Bipolar Disorder Without Drugs* features Gracelyn Guyol's own story and those of thirteen other people around the country who have cured their depression and bipolar disorder using only natural therapies. In depth research and the expertise of alternative health care professionals are included in this landmark guide for patients and caregivers seeking responsible safe alternatives to psychiatric drugs.

Speaking Bipolar's 30 Days of Positivity Scott Ninneman, 2024-08-03 Are you ready to have a positive mindset? It's hard to stay upbeat in today's world especially if you have a mental illness like bipolar disorder. Difficult but not impossible. *Speaking Bipolar's 30 Days of Positivity* was first created as an email course to help readers get through the emotional chaos of the last months of the year. Through motivating stories Scott Ninneman creator of *Speaking Bipolar* and living with bipolar 1 disorder gave the participants a positive theme to focus on each day and how to live successfully with bipolar. After the first readers completed the course they all said the same thing: This needs to be a book. So here it is: the original course newly edited and formatted and including all the additional reading content. Each day has an uplifting message and a journal prompt to think deeper about the day's topic. The end of every lesson also includes a creative writing prompt which you can use as a second journal prompt. The chapter after each lesson is additional reading material linked to in the original course. People who took the 30 Day's course all rated it a 9-10. They said: This course is a real blessing in my life. Very helpful and heart warming course. It made me feel not so alone. I looked forward to it every morning. Find out what they loved so much by reading your copy today.

Marrying Bipolar Natasha David, 2016-03-25 On the last day of winter in 2005 John committed suicide in his car on a lonely side road of the Blue Mountains to the west of Sydney Australia. He was six months shy of his thirtieth birthday. It was the culmination of nine years of struggle for John and his wife as he battled undiagnosed mental illness a gambling addiction and an earlier suicide attempt. Despite his wife's love and attempts to understand his condition in the end nothing could save John from his demons. Tragically John's story could be anybody's story. In Australia around 2-100 people commit suicide every year up to 12% of people affected by mental illness take their own lives compared with an average of 1-7% for the whole population and suicide is the main cause of premature death among people with mental illness. But the effects of suicide are even more far reaching. Its impact on those left behind

is frequently devastating and lifelong The author knows this first hand Marrying Bipolar is the account of a wife s struggle to understand the events in her husband s life that would eventually lead to their marriage breakdown and his untimely death Natasha s experience watching her husband struggle with the complexity of mental illness has led her understand the deadly role denial has to play for both sufferer and partners In the process the author addresses her own search of ways to address denial of the darkness that resides in all of us and the compassion needed to heal and rebuild lives after enduring Living with Bipolar Disorder Karen R. Brock, M.D.,2014-07-14 Bipolar means more than mood swings and chemical imbalances It is a genetic brain regulation malfunction causing not only mood but behavioral symptoms Severity and symptoms vary along a spectrum of disease presentations from a happy positive personality to a moody temperament to chronic and recurrent depressions to classic manic depressive illness It is a chronic disease with periods of illness as well as remission Keeping the disease under control requires daily maintenance and vigilance for emerging symptoms The goal of this book is to help the bipolar person successfully manage his or her illness and live a full and meaningful life First the reader will learn all about bipolar disorder how it presents how it is diagnosed how it is passed down in families and how it affects women as compared to men Next the various types of treatment and the logistics of daily maintenance are discussed in detail Finally the advantages and disadvantages of bipolar disorder are explored and the lives of interesting and outstanding historical and current bipolar individuals are examined

Bipolar Girl: My Psychotic Self Maricela Estrada,2017-08-24 Maricela Estrada was raised in East Los Angeles by her widowed traditional Mexican mother The author felt depressed most of her life and missed having a father Her first suicide attempt happened at age 14 and she survived multiple suicide attempts After high school Maricela had a psychotic episode and was admitted into a psychiatric hospital where she was diagnosed with bipolar disorder with psychotic features She felt stigmatized and was in denial about her mental illness Accepting it was the hardest thing she has ever done But once she accepted it her life changed in a beautiful way allowing her to accomplish all her goals and embrace a beautiful life Maricela s mental health recovery came through medication therapy attending support groups prayer emotional support from family and friends and her emotional support dog Gypsy Blue Bipolar Girl is an inspiring story of one woman s journey through mental health recovery This memoir demonstrates the true meaning of hope resiliency and faith and it will touch many people s lives

Madness at the Movies James Charney,2023-01-31 A unique exploration of how mental illness is portrayed in classic and contemporary films The study of classic and contemporary films can provide a powerful avenue to understand the experience of mental illness In Madness at the Movies James Charney MD a practicing psychiatrist and long time cinephile examines films that delve deeply into characters inner worlds and he analyzes moments that help define their particular mental illness Based on the highly popular course that Charney taught at Yale University and the American University of Rome Madness at the Movies introduces readers to films that may be new to them and encourages them to view these films in an entirely new way Through films such as Psycho Taxi Driver Through a Glass

Darkly Night of the Hunter A Woman Under the Influence Ordinary People and As Good As It Gets Charney covers an array of disorders including psychosis paranoia psychopathy depression bipolar disorder obsessive compulsive disorder and anxiety He examines how these films work to convey the essence of each illness He also looks at how each film reflects the understanding of mental illness at the time it was released as well as the culture that shaped that understanding Charney explains how to observe the behaviors displayed by characters in the films paying close attention to signs of mental illness He demonstrates that learning to read a film can be as absorbing as watching one By viewing these films through the lens of mental health readers can hone their observational skills and learn to assess the accuracy of depictions of mental illness in popular media
