There is widespread understanding of the close connection between religion and the ecological crisis and that in order to amend this crisis theological resources are needed This monograph seeks to contribute to this endeavor by engaging the theology of Dietrich Bonhoeffer His theology is particularly suitable in this context due to its open ended nature and to the prophetic and radical nature of the questions he was prepared to ask that is why there are many other attempts to contextualize Bonhoeffer s theology in areas that he himself has not directly written about In this monograph Steven van den Heuvel first of all addresses the question of how to translate Bonhoeffer s theology in a methodologically sound way He settles on a modified form of the general method of correlation Then secondly van den Heuvel sets out to describe five major concepts in Bonhoeffer s work bringing these into critical interplay with discussions in environmental ethics and eco theology In making the correlations he thoroughly describes each concept situating it in the historic and intellectual background of Bonhoeffer s time He then transposes these concepts to contemporary environmental ethics describing what contribution Bonhoeffer s theology can make **Reading Light** William H Cooper Jr, 2018-05-23

What are Christians filling their minds with in order to stand strong in this present age of postmodernism and total moral relevance This is a question that springs to mind when one scans the shelves of the local Christian bookstore With that in mind Reading Light presents guidance for Christian readers featuring recommendations for Christian books that were both educational and enjoyable It serves not as a scholar offering a lecture but as a friend sharing a good read with others and describing what benefits they can gain from each book Author William H Cooper Jr stresses the need for Christians to read books with spiritual substance He focuses on ten authors and their most prominent works exploring their lives and considering the reasons each book might be beneficial Intended for individuals Sunday school groups or book clubs this guide provides Christians with essential recommendations for readable books with the promise of great reward **Themelios, Volume 44, Issue 2** D.
