Breaking The Apocalypse Code:

Breaking the Apocalypse Code Mark Hitchcock, Thomas Ice, 2007

Breaking The Apocalypse Code Ph. D., 2007

What the Bible Really Says? Thomas A. Howe, 2009-01-01 The study of the End Times has been a popular topic for many years and there are many different positions that are proposed on how to understand the unfolding of God's program. The debate over the End Times has often been heated and has failed to showcase the best that Christian scholarship has to offer. It sometimes seems like everyone wants to get in on the action and anyone who has an audience can and has put together his thoughts and made his opinions known through the printed page. Anyone can publish his views regardless of the level of competency in the original languages, his level of hermeneutic ability or his understanding of history or theology. In his book *The Apocalypse Code* Hank Hanegraaff declares that his goal is to put hermeneutical tools into your hands so that you can draw from Scripture what God intends you to understand rather than uncritically accepting end time models that may well be foreign to the text. It would be extremely helpful for someone to equip readers to be able to make their way through the maze of views. *What the Bible Really Says* is a point by point analysis of the arguments of Hank Hanegraaff concerning end times prophecy. This book is not an effort to promote one eschatological perspective over another. Rather it is an analysis of Hanegraaff's arguments and claims in order to discover whether or not he has succeeded in putting hermeneutical tools into the hands of his readers or whether he has simply added his voice and his opinions to the cacophony of claims and counterclaims.

The Apocalypse Code Hank Hanegraaff, 2010-09-20 Hank Hanegraaff reveals the code to Revelation. Breaking the code of the book of Revelation has become an international obsession. The result according to Hank Hanegraaff has been rampant misreading of Scripture, bad theology and even bad politics and foreign policy. Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty-five books of the Bible, not current events or recent history and certainly not any complicated charts. *The Apocalypse Code* offers sane answers to some very controversial questions. What does it mean to take the book of Revelation and the rest of the Bible literally? Who are the Antichrist and the Great Whore of Babylon and what is the real meaning of 666? How does our view of the end times change the way we think about the crisis in the Middle East? Are two-thirds of all Jews really headed for an apocalyptic holocaust? *The Apocalypse Code* is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world. Provocative and passionate, this fascinating book is a must read for everyone who's interested in end times controversies.

Lee Strobel, Author *The Case for the Real Jesus* This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts.

Tim LaHaye Every fan of the *Left Behind* series should read this book. The fog will clear and common sense will return to our reading of the Bible.

Gary M. Burge, Professor of New Testament, Wheaton College and Graduate School

Cracking the Apocalypse Code G  rard Bodson,2000 Prsents the results of a study conducted by two theologians a computer expert a semiologist and a historian who used the numerical correspondences of the Hebrew alphabet as a key to deciphering what they believe to be encrypted messages in the Book of Revelation

The Case for Zionism Thomas Ice,2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day

The Peace Map - The Lord's Codes , Apocalypse Code Hal Lindsey,1997 Hal Lindsey the father of modern day Bible prophecy contends that he has cracked the Apocalypse Code revealing long hidden messages about man s future and the fate of the earth as prediced by the biblical prophet Daniel

The Book of Revelation Revealed Charles Francis Premo,2022-03-24 This author tears down many preconceptions fostered on their religious communities by supposedly unbiased authoritarian figures The Revelation reveals to mankind the completion of His plan for His creation that He has sovereignty over This author shows through due diligence how now is the time of the fulfillment of those words that were written by John the apostle
