Free Will Richard Wilson, 2016-05-16 *Free Will* Art and power on Shakespeare's stage is a study of theatre and sovereignty that situates Shakespeare's plays in the contraflow between two absolutisms of early modern England: the aesthetic and the political. Starting from the dramatist's cringing relations with his princely patrons, Richard Wilson considers the ways in which this bending author identifies freedom in failure and power in weakness by staging the endgames of a sovereignty that begs to be set free from itself. The arc of Shakespeare's career becomes in this comprehensive new interpretation a sustained resistance to both the institutions of sacred kingship and literary autonomy that were emerging in his time. In a sequence of close material readings, *Free Will* shows how the plays instead turn command performances into celebrations of an art without sovereignty which might give delight but hurt not and leave not a rack behind. *Free Will* is a profound rereading of Shakespeare art and power that will contribute to thinking not only about the plays but also about aesthetics, modernity, sovereignty, and violence.

[Shared Governance in Higher Education, Volume 3](#) Sharon F. Cramer, Peter L. K. Knuepfer, 2020-08-01 Shared governance impacts every member of the campus community, including faculty, staff, students, and administrators. Contributors to this volume, presenters at multiple SUNY Voices conferences on Shared Governance, explore how campus members can effectively improve the dialogue about critical issues and become better informed about the subtle, sophisticated strategies needed to move from discussion to action. Readers will gain new insights enabling them to reexamine their own governance, both their current circumstances and possible futures. Included here are examinations of the key elements and models of shared governance: the role of faculty governance in institutional diversity and inclusion, relationship and rapport building, and communication in times of change. Also discussed are assessment rubrics, campus- and systemwide experiences, and analyses of shared governance in the accreditation process.

Unveiling the Power of Verbal Beauty: An Mental Sojourn through **Breathe Free Breathe Free**

In a world inundated with displays and the cacophony of instantaneous communication, the profound power and mental resonance of verbal art frequently diminish into obscurity, eclipsed by the continuous assault of sound and distractions.
