Brennans War Vietnam 1965 1969:

Brennan's War Matthew Brennan, 1988-10-05 Brennans War Matthew Brennan, 1985 **Brennan's War** Matthew Brennan, 1985 **A Checklist of Vietnam War Literature**, 1994 **Chopper Pilot** R. J. Sinsigalli, 2002 *A Life in a Year* James Ebert, 2007-12-18 This provocative in depth book focuses on the experiences of the infantry soldier in Vietnam More than 60 Army and Marine Corps infantrymen speak of their experiences during their year long tours of duty **The Vietnam War** James Edward Westheider, 2007-09-30 The Vietnam War was different from most previous U S wars of the twentieth century It was an undeclared and limited war The draft to supply the soldiers and serious problems in the Selective Service system meant that the burden of the war was carried disproportionately by minorities and working class whites many of whom did not want to serve While many Americans saw service in Vietnam as their patriotic duty others opposed the war This is the story of the men and women who served in that war whether overseas in active combat or in support roles in Viet Nam and stateside **Kill Anything That Moves** Nick Turse, 2013-01-15 Based on classified documents and first person interviews a startling history of the American war on Vietnamese civilians The American Empire Project Winner of the Ridenhour Prize for Reportorial Distinction Americans have long been taught that events such as the notorious My Lai massacre were isolated incidents in the Vietnam War carried out by just a few bad apples But as award winning journalist and historian Nick Turse demonstrates in this groundbreaking investigation violence against Vietnamese noncombatants was not at all exceptional during the conflict Rather it was pervasive and systematic the predictable consequence of official orders to kill anything that moves Drawing on more than a decade of research into secret Pentagon archives and extensive interviews with American veterans and Vietnamese survivors Turse reveals for the first time the workings of a military machine that resulted in millions of innocent civilians killed and wounded what one soldier called a My Lai a month Devastating and definitive Kill Anything That Moves finally brings us face to face with the truth of a war that haunts America to this day **Voices from the Vietnam War** Xiaobing Li, 2010-05-07 Some of this book is heartrending some of it is as gripping as a thriller and all of it will add to our understanding of the war Booklist The Vietnam War s influence on politics foreign policy and subsequent military campaigns is the center of much debate and analysis But the impact on veterans across the globe as well as the effects on individual lives and communities is a largely neglected issue As a consequence of cultural and legal barriers the oral histories of the Vietnam War currently available in English are predictably one sided providing limited insight into the inner workings of the Communist nations that participated in the war Furthermore many of these accounts focus on combat experiences rather than the backgrounds belief systems and social experiences of interviewees resulting in an incomplete historiography of the war Chinese native Xiaobing Li corrects this oversight in *Voices from the Vietnam War* Stories from American Asian and Russian Veterans Li spent seven years gathering hundreds of personal accounts from survivors accounts that span continents nationalities and political affiliations The twenty two intimate

stories in this book feature the experiences of American Chinese Russian Korean and North and South Vietnamese veterans representing the views of both anti Communist and Communist participants including Chinese officers of the PLA a Russian missile training instructor and a KGB spy These narratives humanize and contextualize the war s events while shedding light on aspects of the war previously unknown to Western scholars providing fresh perspectives on a long discussed topic Li s achievement is most remarkable for the window he opens onto the lives of Chinese and Russian veterans their rare accounts appear here for the first time in English Publishers Weekly Hunter Killer Squadron Matthew Brennan,Paul McCarthy,1992 The true story of the 1st Cav s elite air ground assault force
