Brick Walls: the Sheriff Nancy Baker-Dansby, Carl A. Baker, 2017-02-07 Greed revenge and general mendacity leave Sheriff Brick Walls and his deputies on new and dangerous encounters in this second book of the Brick Walls series Upon becoming sheriff of Medina County Texas Brick Walls begins a new phase in his life Being an Iraqi War veteran Brick had looked death in the eye numerous times And now his new career as sheriff of the county which he grew up in once again puts him in harms way Who is stalking Brick and is it related to the suitcase full of money his dog Red found two years ago

The UK's Changing Democracy Patrick Dunleavy, Alice Park, Ros Taylor, 2018-11-01 The UK's Changing Democracy presents a uniquely democratic perspective on all aspects of UK politics at the centre in Westminster and Whitehall and in all the devolved nations The 2016 referendum vote to leave the EU marked a turning point in the UK's political system In the previous two decades the country had undergone a series of democratic reforms during which it seemed to evolve into a more typical European liberal democracy The establishment of a Supreme Court adoption of the Human Rights Act Scottish Welsh and Northern Irish devolution proportional electoral systems executive mayors and the growth in multi party competition all marked profound changes to the British political tradition Brexit may now bring some of these developments to a juddering halt The UK's previous exceptionalism from European patterns looks certain to continue indefinitely Taking back control of regulations trade immigration and much more is the biggest change in UK governance for half a century It has already produced enduring crises for the party system Parliament and the core executive with uniquely contested governance over critical issues and a rapidly changing political landscape Other recent trends are no less fast moving such as the revival of two party dominance in England the re creation of some mass membership parties and the disruptive challenges of social media In this context an in depth assessment of the quality of the UK's democracy is essential Each of the 2018 Democratic Audit's 37 short chapters starts with clear criteria for what democracy requires in that part of the nation's political life and outlines key recent developments before a SWOT analysis of strengths weaknesses opportunities and threats crystallises the current situation A small number of core issues are then explored in more depth Set against the global rise of debased semi democracies the book's approach returns our focus firmly to the big issues around the quality and sustainability of the UK's liberal democracy

Timberland Allen E. Walls, 2025-09-12 A man came up behind Henry Ford with an axe and was going to kill him William Perry grabbed the axe out of the man's hands and then Mr Ford said you have a job with me for life and he did until the day he died Excerpt from the oral reminiscences of Irene Johnson neighbour of William and Melinda Perry William Perry's friendship had a significant influence on Henry Ford and the hiring of African Americans at the Ford Motor Company In later years Henry used the metaphor of having shared a cross cut saw with William Perry to explain his belief that African Americans and whites should work together in harmony with The coloured man sawing at one end of the log and the white man at the other This is a story of William Perry's life and adventures before and after
