Brief Gaudy Hour Margaret Campbell Barnes, 1967 *The Afterlife of Anne Boleyn* Stephanie Russo, 2020-10-28 This book explores 500 years of poetry drama novels television and films about Anne Boleyn Hundreds of writers across the centuries have been drawn to reimagine the story of her rise and fall *The Afterlife of Anne Boleyn* tells the story of centuries of these shifting and often contradictory ways of understanding the narrative of Henry VIII's most infamous queen Since her execution on 19 May 1536 Anne's life and body has been a site upon which competing religious political and sexual ideologies have been inscribed a practice that continues to this day From the poetry of Thomas Wyatt to the songs of the hit pop musical *Six* *The Afterlife of Anne Boleyn* takes as its central contention the belief that the mythology that surrounds Anne Boleyn is as interesting revealing and surprising as the woman herself **The Creation of Anne Boleyn** Susan Bordo, 2013-04-09 This illuminating history examines the life and many legends of the 16th century Queen who was executed by her husband King Henry VIII Part biography part cultural history *The Creation of Anne Boleyn* is a fascinating reconstruction of Anne's life and a revealing look at her afterlife in the popular imagination Why is her story so compelling Why has she inspired such extreme reactions Was she the flaxen haired martyr of Romantic paintings or the raven haired seductress of twenty first century portrayals Answer neither But the most provocative question of all concerns Anne's death

How could Henry order the execution of a once beloved wife Drawing on scholarship and critical analysis Bordo probes the complexities of one of history's most infamous relationships She then demonstrates how generations of polemicists biographers novelists and filmmakers have imagined and re imagined Anne whose martyr cautionary tale proto mean girl feminist icon and everything in between In *The Creation of Anne Boleyn* Bordo steps off the well trodden paths of Tudoriana to tease out the human being behind the competing mythologies paintings and on screen portrayals *Historical Dictionary of the Elizabethan World* John Wagner, 2013-04-03 No period of British history generates such deep interest as the reign of Elizabeth I from 1558 to 1603 The individuals and events of that era continue to be popular topics for contemporary literature and film and Elizabethan drama poetry and music are studied and enjoyed everywhere by students scholars and the general public The *Historical Dictionary of the Elizabethan World* provides clear definitions and descriptions of people events institutions ideas and terminology relating in some significant way to the Elizabethan period The first dictionary of history to focus exclusively on the reign of Elizabeth I the Dictionary is also the first to take a broad trans Atlantic approach to the period by including relevant individuals and terms from Irish Scottish Welsh American and Western European history Editors Choice Reference **Bloomsbury Good Reading Guide** Nick Rennison, 2009-01-01 Deciding what to read next when you've just finished an unputdownable novel can be a daunting task The *Bloomsbury Good Reading Guide* features hundreds of authors and thousands of titles with navigation features to lead you on a rich journey through some of the best literature to grace our shelves This greatly expanded edition includes the latest contemporary authors and landmark novels an expanded non fiction section a timeline setting historical events against literary milestones prize winner and book club lists An accessible and easy to read guide that no serious book lover should be without The essential guide to the wild uncharted world of contemporary and 20th century writing Robert McCrum *The Observer* **Passionate Brood** Margaret Campbell Barnes, 2010-10-01 A Spirited Retelling of King Richard the Lionheart and the Third Crusade Margaret Campbell Barnes has been one of the most reliable of England's historical novelists *Chicago Tribune* In this compelling novel of love loyalty and lost chances Margaret Campbell Barnes gives readers a new perspective on Richard the Lionheart's triumphs and tragedies Drawing on folklore Barnes explores what might have happened if King Richard's foster brother were none other than Robin Hood a legendary figure more vibrant than most in authentic history Thick as thieves as Richard builds a kingdom and marshals a crusade the two clash when Robin Hood so provokes the king's white hot temper that Richard banishes him The *Passionate Brood* is a tale of a man driven to win back the Holy Land beset by the guilt of casting out his childhood friend and shouldering the burden of being the lionhearted leader of the Plantagenets Praise for Margaret Campbell Barnes Barnes vividly depicts Anne's hopes and fears in an age where royal marriages were brokered like a cattle fair and beheading could befall even a Queen *Publishers Weekly* on *Brief Gaudy Hour* Rich in detail and flows beautifully letting readers escape into Anne's court and country life It is a must read for those who love exploring the dynamic relationships of Henry VIII and his
