Serving the Word Edward Sanders, Frank Dicken, 2015-07-07 This book and the essays contained within are dedicated to Dr Chuck Sackett in recognition of his thirty two years of teaching at Lincoln Christian University He currently serves as Professor at Large but has held a variety of roles and titles during his thirty two years there These essays are written by current colleagues and former students who have had the privilege of studying hermeneutics homiletics and ministry with Dr Sackett Each essay covers a topic of scholarly or contemporary interest in the fields of hermeneutics or homiletics Hermeneutics and homiletics remain topics of discussion in the academy and the church These essays continue that discussion The essays overlap the two fields Some essays focus heavily on hermeneutical issues with an eye towards proclamation while others start with homiletics and hermeneutical issues are echoed in the background The essays found in this book offer unique perspectives and approaches to interpretation and preaching Though homiletics and hermeneutics are the fields of the study the church remains the arena where the fruit of each discipline is observed most clearly as Dr Sackett instructed his students throughout his years of teaching **The Athenaeum** ,1891 **Athenaeum and Literary**
