**Learning and Teaching Together** Michele TD Tanaka,2016-11-15 Across Canada new curriculum initiatives require teachers to introduce students to Aboriginal content In response many teachers unfamiliar with Aboriginal approaches to learning and teaching are seeking ways to respectfully weave this material into their lessons Learning and Teaching Together introduces teachers of all levels to an indigenist approach to education Tanaka recounts how pre service teachers enrolled in a crosscultural course in British Columbia immersed themselves in indigenous ways of knowing as they worked alongside indigenous wisdom keepers

Transforming cedar bark buckskin and wool into a mural that tells stories about the land upon which the course took place they discovered new ways of learning that support not only intellectual but also tactile emotional and spiritual forms of knowledge By sharing how one group of non indigenous teachers learned to privilege indigenous ways of knowing in the classroom Tanaka opens a path for teachers to nurture indigenist crosscultural understanding in their own classrooms
