Silence: A User's Guide, Volume One Maggie Ross, 2014-09-10 Silence is essential for the health and well being of humans and the environment in which they live Yet silence has almost vanished from our lives and our world Of all the books that claim to be about silence this is the only one that addresses silence directly Silence A User s Guide is just what the title says it is a guide to silence which is both a vast interior spaciousness and the condition of our being in the natural world This book exposes the

processes by which silence can transfigure our lives what Maggie Ross calls the work of silence it describes how lives steeped in silence can transfigure other lives unawares It shows how the work of silence was once understood to be the foundation of the teaching of Jesus and how this teaching was once an intrinsic part of Western Christianity it describes some of the methods by which the institution suppressed the work of silence and why religious institutions are afraid of silence Above all this book shows that the work of silence gives us a way of being in the world that is more than we can ask for or imagine

Silence: A User's Guide, Volume Two Maggie Ross,2017-12-13 To learn to read a text for the portals of silence that are implicit in it is to gain a powerful tool for supporting and expanding one's silence and to open the reader to the insight that ensues The sort of reading proposed in this volume is both costly and rewarding These pages invite readers once again to look at their own minds to reflect on what is happening there and to understand the essential role of silence for being human and for living our own truth with one another

Your Brain: A User's Guide National Geographic,2017-06-13 Both a practical owner's manual and a complete guide to the brain's development and function this valuable reference explores not only the brain's physical form its 100 billion nerve cells and near infinite network of synapses but the interactions that regulate every thought and action Some highlights include The inner workings of our body's most complex organ Foods for mental fitness Mysteries revealed such as why listening to music tunes up your brain

The Fountainhead Reference Guide: a to Z Emre Gergen,2020-08-28 This Reference Guide takes the form of a Fountainhead Encyclopedia with several independent sections a complete character dictionary a dictionary of relationships between characters a lexicon of the book's buildings and media outlets a catalogue of the novel's various groups and associations a timeline of the book's events a classification of Ayn Rand's symbols and a directory of the Fountainhead's locations Besides organizing most of the Fountainhead's facts logically this Reference Guide also provides a table of Ayn Rand's fiction nonfiction a spreadsheet of works by Objectivist Intellectuals and a glossary of architectural terms It also analyzes some of the book's themes with reference to plot specifics So that Fountainhead scholars can cite neutral book facts to support their intellectual hopefully objectivist positions

Creative Commons: a User Guide Simone Aliprandi,2010-08-27 Here is an operational manual which guides creators step by step in the world of Creative Commons licenses the most famous and popular licenses for free distribution of intellectual products Without neglecting useful conceptual clarifications the author goes into technical details of the tools offered by Creative Commons thus making them also understandable for total neophytes This is a fundamental book for all those who are interested in the opencontent and copyleft world This book is licensed under a Creative Commons Attribution ShareAlike license

The Corporates Strike Back Lucas Sauberschwartz,Lysander Weiss,2022-01-31 65% of global CEOs are concerned about losing the innovation race against disruptive start-ups The supposed solution copying their methods But as corporations are not start-ups this is a fatal mistake Most ideas never reach successful implementation and innovation becomes frustration So how does a solution look like that
