Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Embracing the Mysterious God James Emery White, 2003 One of Christianity Today's 2003 Books of the Year We give ourselves to God and then struggle profoundly with the relationship We are drawn in and then want to flee in fear We move from faith to doubt trust to confusion intimacy to a feeling of abandonment Coming to faith is like falling in love It can be a head over heels rush to the altar or a slow acceptance that slips into a heartfelt embrace Either way eventually romance crashes headlong into reality Often we make things worse either by feeling guilty about our struggles with doubt or by trying to dismiss them as unimportant or insignificant We may even become resentful that God does not simply step in to clear up our confusion When we find ourselves in any of these predicaments the only way out is to face our uncertainties about God deliberately and directly In *Embracing the Mysterious God* James Emery White explores these struggles we all face struggles of heart soul mind and strength And struggles to love our neighbors as ourselves Here you will find your tough questions about God addressed Better still you will find the way to renewed faith **The Anchor Course** Tom Goodman, 2007-03 When Bono explained his Christian faith to a reporter the frontman for the band U2 said I'm the sort of character who's got
