Leena Jayaswal, 2000 **A Suitable Girl** Vikram Seth, **SUITABLE GIRL A SETH** VIKRAM, 2020-08-25 **The Girl-Positive Library** Mary Ann Harlan, 2018-12-07 Providing a model of critique useful in readers advisory collection development and book clubs this title encourages the inclusion of young adult titles advancing a positive representation of girls in programming and instruction Even in an era in which there are multiple and wide ranging conversations about representations of diverse groups in literature the depiction of girls in young adult literature has received inadequate attention This text provides a model for understanding how girls are represented in young adult literature that will aid school and youth services librarians in their personal understanding and awareness as they build collections and create programming It provides practical suggestions for how to use and implement a feminist lens while reading discussing and reviewing titles Included are a list of recommended annotated titles and discussion questions for use in developing appropriate instructional and interesting programs that explore concepts of girlhood media literacy programs and diverse collections **Vikram Seth's Poetics of Pastiche** Mélanie Heydari, 2024-09-21 Vikram Seth is a critical enigma He is recognized as one of the most important Indian Anglophone authors of his generation his individual works have been widely reviewed yet his work has rarely been approached as a whole and remains surprisingly understudied Perhaps the chief reason for the paucity of critical response to the full compass of Seth's work is his disregard for intellectual fashion Indeed Seth is at once very popular and deliberately unfashionable His literary affiliations are conservative seemingly uninterested in any revisionary narrative he is equally unconcerned by the interpenetration of cultures in our globalized world representing assimilation rather than cultural difference He defies the expectations of both postcolonial and world literature therefore to discuss his critical neglect is to shed light on the limitations of these labels As the most thorough attempt to map a general poetics in Seth's work this study the first of its kind on this writer develops a new critical methodology to capture the nuances of Seth's literary strategies It provides scholars and students insight into the key features of Seth's work and uncovers a consistent authorial strategy running through his seemingly disconnected body of work namely a systematic use of intertextual practices **Hard to Get** Leslie C.
