A Tale Of Two Lives The Susan Lefevre Fugitive Story:

A Tale of Two Lives Marie S. Walsh, 2011 Sent to prison at age 19 on a minor drug offense a 10 to 20 year sentence Susan Marie Lefevre chose to escape the life she'd been dealt and begin a new one She spent the next thirty two years living the life she'd always planned all the while carrying the secret of her past When her two lives collided the results were played out in the courtrooms and news media **For Dear Life** Carol Jacobsen, 2019-02-11 For Dear Life chronicles feminist and artist Carol Jacobsen's deep commitment to the causes of justice and human rights and focuses a critical lens on an American criminal legal regime that imparts racist gendered and classist modes of punishment to women lawbreakers Jacobsen's tireless work with and for women prisoners is charted in this rich assemblage of images and texts that reveal the collective strategies she and the prisoners have employed to receive justice The book gives evidence that women's lawbreaking is often an effort to survive gender based violence The faces letters and testimonies of dozens of incarcerated women with whom Jacobsen has worked present a visceral yet politicized chorus of voices against the criminal legal systems that fail us all Their voices are joined by those of leading feminist scholars in essays that illuminate the arduous methods of dissent that Jacobsen and the others have employed to win freedom for more than a dozen women sentenced to life imprisonment and to free many more from torturous prison conditions The book is a document to Jacobsen's love and lifelong commitment to creating feminist justice and freedom and to the efficacy of her artistic legal and extralegal political actions on behalf of women
