

A woman with long brown hair, seen from behind, stands in a dark wooden doorway. She is wearing a dark, long-sleeved top and dark pants. Her right hand is on a golden doorknob, and her left hand is on the door frame. The doorway is framed by green vines and leaves. The light from the doorway is bright yellow and orange, creating a strong contrast with the dark interior. The floor outside the doorway is green and covered with small, glowing yellow flowers.

Understanding (Post)feminist Girlhood Through Young Adult Fantasy Literature Elizabeth Little, 2024-11-04 Understanding Post feminist Girlhood Through Young Adult Fantasy Literature takes advantage of growing critical interest in popular young adult texts and their influence on young people The monograph offers an innovative approach by pairing traditional literary analysis with the responses of readers to show the complex ways that young people respond to the depiction of female protagonists In the first section the book utilises a feminist framework to examine young adult fantasy novels published from 2012 to 2018 with a particular focus on A Court of Thorns and Roses Maas 2015 and Red Queen Aveyard 2015 The analysis shows how strong female protagonists in young adult fantasy are
