Foot Patrol Steps - **correct answer** -Bring your radio, notebook, pen, and any other equipment you would

normally carry. The purpose of patrol is to look for signs of trouble; you want to be as prepared as possible in case you find what you are looking

for.

-Walk confidently about the property or premises. Be professional as others are watching you. Engage in exchanging quick bits of conversation

(e.g., say hello in return if someone greets you) or answering simple questions (e.g., if someone asks where it is okay to park) but do not become engrossed in lengthy conversations. First of all, you are paid to be protecting persons and property as directed by your employer and second, an ongoing conversation could serve as a distraction to keep you

from noticing other activity taking place.

Alberta Solicitor General and Ministry of Public

-Follow a consistent route through or around the premises; you should make a routine to ensure you have covered all areas you are responsible for. Be careful, however, not to become so familiar with your route that you stop looking closely enough to notice when things are amiss.
