Alchemical Medicine For The 21st Century Spagyrics For Detox Healing And Longevity:

Alchemical Medicine for the 21st Century Clare Goodrick-Clarke, 2010-06-08 Using the ancient art of spagyrics for treatment of today's health problems Contains detailed indications for using alchemical preparations therapeutically Shows how the essences work holistically to heal the mind body and spirit with the energetic qualities of the plant Provides effective therapy for a wide range of physical and mental disorders Spagyrics is a branch of medicinal alchemy that enhances the healing properties already existing in plants Developed by Paracelsus the magus and alchemist of the early 16th century spagyrics is a holistic therapy that promotes healing at all levels of the human being body soul and spirit Spagyric essences harness the dynamic life force in plants that triggers recovery from the energetic imbalance of illness The harmonizing and balancing qualities of spagyric essences differ from other plant remedies and aromatherapy oils because they not only include the plant's energetic information but also incorporate the salt of the plant from which all toxic matter has been purged The preparation of this alchemical medicine makes it possible to capture the full therapeutic spectrum of plants including the cosmic energies they have absorbed Alchemical Medicine for the 21st Century contains detailed indications for using these alchemical preparations to treat both physical and mental disorders The author shows for example that the tincture made from dandelion is especially potent on liver related ailments and also raises the spirit and frees the patient from anger and bitterness The immune system is also boosted by this essence providing tonic effects for allergy sufferers The author a homeopath since 2000 also shows how these spagyric essences can be potentized homeopathically

Hermetic Herbalism Jean Mavéric, 2020-05-05 A never before translated occult classic that brings the science of herbal medicine back to its Hermetic roots Includes a large collection of recipes for spagyric medicines and quintessences with detailed step by step instructions adapted from celebrated spagyrists such as Paracelsus Pseudo Lull Philipp Ulstad and Nicaise Le Fvre Provides botanical and medicinal classifications of over 600 plant species along with their astral natures elemental qualities and planetary and zodiacal signatures Explores advanced methods and techniques and shares the author's secret formula for a universal circulatum First published in French in 1911 this practical guide to the art of spagyrics begins by outlining the ancient yet often forgotten Hermetic foundations of herbalism Author Jean Mav ric provides botanical and medicinal classifications of over 600 plant species along with an in depth study of their astral natures elemental qualities and planetary and zodiacal signatures as well as practical advice on the appropriate times to harvest plants and administer herbal remedies and quintessences Reviewing the general principles and procedures of premodern chemistry Mav ric then explores the secret doctrines and operations of the spagyric art He offers a large collection of recipes for spagyric herbal preparations adapted from celebrated spagyrists such as Paracelsus Pseudo Lull Philipp Ulstad Jan Baptist van Helmont Oswald Croll and Nicaise Le Fvre providing detailed step by step instructions for a veritable pharmacopeia of spagyric extracts tinctures elixirs liquors oils unguents salts aquae vitae and quintessences Mav ric also shares his intricate theory of astral medicine and advocates a

seasonal Hermetic diet designed to keep the humors of the body in equilibrium and prevent the onset of illness In the final section of the book Mav ric focuses on the more advanced methods and techniques of Paracelsus Helmont and George Starkey unraveling the mysteries of manufacturing alkalis alkahests and menstrua and divulging his own secret formula for a universal circulatum Available now for the first time in English this occult classic unveils the art of extracting spagyric essences to a modern audience while also bringing the science of herbal medicine back to its Hermetic roots Wild Medicine Ali English,2019-05-13 The hedgerow in summer is a fascinating place laden with an abundance of herbs and wildflowers many of which are loaded with medicinal value or can be eaten or both This book will take you on a journey around the verges hedgerows and forest edges in the summer introducing you to a range of some of the more commonly found easy to identify plants that are available around most of the UK Europe and parts of North America as well as providing a selection of useful medicinal and edible recipes most of which are easy to follow simple to use and in the case of the food recipes delicious This book aims to encourage and engender a love of our native plants and their many uses and hopes to encourage you to gather your favorites make your own medicine and perhaps even turn over a small part of your garden to growing some of these wild native plants so beloved by butterflies and bees **Wild Medicine, Summer** Ali English,2019-05-13 The hedgerow in summer is a fascinating place laden with a plethora of different herbs and wildflowers many of which are loaded with medicinal values or can be eaten or both This book will take you on a journey around the verges hedgerows and forest edges in the summer introducing you to a small range of some of the more commonly found easy to identify plants that are available around most of the UK Europe and parts of North America as well as providing a selection of useful medicinal and edible recipes most of which are easy to follow simple to use and in the case of the food recipes delicious This book aims to encourage and engender a love of our native plants and their many uses and hopes to encourage you to gather your own make your own medicine and perhaps even turn over a small part of your garden to growing some of these wild native plants so beloved of butterflies and bees in this era when the wild places of the world are under threat **Invasive Plant Medicine** Timothy Lee Scott,2010-08-13 The first book to demonstrate how plants originally considered harmful to the environment actually restore Earth s ecosystems and possess powerful healing properties Explains how invasive plants enhance biodiversity purify ecosystems and revitalize the land Provides a detailed look at the healing properties of 25 of the most common invasive plants Most of the invasive plant species under attack for disruption of local ecosystems in the United States are from Asia where they play an important role in traditional healing In opposition to the loud chorus of those clamoring for the eradication of all these plants that to the casual observer appear to be a threat to native flora Timothy Scott shows how these opportunistic plants are restoring health to Earth s ecosystems Far less a threat to the environment than the cocktails of toxic pesticides used to control them these invasive plants perform an essential ecological function that serves to heal both the land on which they grow and the human beings who live upon it

These plants remove toxic residues in the soil providing detoxification properties that can help heal individuals Invasive Plant Medicine demonstrates how these invasives restore natural balance and biodiversity to the environment and examines the powerful healing properties offered by 25 of the most common invasive plants growing in North America and Europe Each plant examined includes a detailed description of its physiological actions and uses in traditional healing practices tips on harvesting preparation and dosage contraindications and any possible side effects This is the first book to explore invasive plants not only for their profound medical benefits but also with a deep ecological perspective that reveals how plant intelligence allows them to flourish wherever they grow

Homeopathy for Today's World Dr. Rajan Sankaran,2011-06-23 Discover the inner song that triggers your ailments and underlies your fundamental nature and response to stress Reveals the 7 levels of experience and how to apply them to reach the core experience behind our physical and mental symptoms Explains how to decode the ways we describe our pain and emotions to determine what animal plant or mineral is singing within Shows how awareness of the inner song can reduce its negative impact on our emotions dreams ambitions careers and relationships The most important development in homeopathy since its discovery in the late 18th century by Dr Samuel Hahnemann the Sensation Method of diagnosis developed by Dr Rajan Sankaran explains that our experience and perceptions of life s stresses are shaped by an inner pattern or song connected to one of the three kingdoms in nature animal plant or mineral Revealing itself as a constant underlying sensation felt in both the mind and the body and expressed through illness and chronic ailments this inner song of reoccurring reactive patterns be it that of a competitive lion a sensitive daisy or structured phosphorus drives our emotions dreams ambitions careers and relationships and is the underlying factor behind why stress affects each of us so differently Explaining that there are 7 levels to our experiences Dr Sankaran provides techniques to decode the words and gestures we

use to describe our pain emotions and health conditions allowing us to probe deeper into our experiences of stress and illness to determine what animal plant or mineral is singing within us Showing how this core identity can be used by homeopathic physicians to treat our problems at their source he reveals how becoming aware of our inner song can reduce the intensity of its negative effects leading to less stress better health and more harmony in our lives **The Poison Path Herbal** Coby Michael,2021-09-28 Explains how to work with baneful herbs through rituals and spells as plant spirit familiars as potent medicines and as visionary substances Details the spiritual alchemical astrological and symbolic associations of each plant its active alkaloids how to safely cultivate and harvest it and rituals and spells suited to its individual nature and powers Shares plant alchemy methods magical techniques and recipes featuring the plants including a modern witches flying ointment Part grimoire and part herbal formulary this guide to the Poison Path of occult herbalism shares history lore and information regarding the use of poisonous consciousness altering and magical plants Author Coby Michael explains how despite their poisonous nature baneful herbs can become powerful plant allies offering potent medicine magical wisdom and access to the spirit realm Detailing the spiritual alchemical astrological and symbolic associations of each plant the author explores their magical uses in spells and rituals He focuses primarily on the nightshade family or Solanaceae such as mandrake henbane and thorn apple but also explores plants from other families such as wolfsbane hemlock and hellebore He also examines plants in the witch s pharmacopoeia that are safer to work with and just as chemically active such as wormwood mugwort and yarrow The author shares rituals suited to the individual nature and powers of each plant and explains how to attract and work with plant spirit familiars He offers plant alchemy methods for crafting spagyric tinctures and magical techniques to facilitate working with these plants as allies and teachers He shares magical recipes featuring the plants including a modern witches flying ointment He also explores safely cultivating baneful herbs in a poison garden **Sane Asylums** Jerry M. Kantor,2022-08-23 Examines the success of homeopathic psychiatric asylums in the United States from the 1870s until 1920 Focuses on New York s Middletown State Homeopathic Hospital for the Insane which had a treatment regime with thousands of successful outcomes Details a homeopathic blueprint for treating mental disorders based on Talcott s methods including nutrition and side effect free homeopathic prescriptions In the late 1800s and early 1900s homeopathy was popular across all classes of society In the United States there were more than 100 homeopathic hospitals more than 1 000 homeopathic pharmacies and 22 homeopathic medical schools In particular homeopathic psychiatry flourished from the 1870s to the 1930s with thousands of documented successful outcomes in treating mental illness Revealing the astonishing but suppressed history of homeopathic psychiatry Jerry M Kantor examines the success of homeopathic psychiatric asylums in America from the post Civil War era until 1920 including how the madness of Mary Todd Lincoln was effectively treated with homeopathy at a sane asylum in Illinois He focuses in particular on New York s Middletown State Homeopathic Hospital where superintendent Selden Talcott oversaw a compassionate and holistic treatment regime that married Thomas Kirkbride

s moral treatment principles to homeopathy Kantor reveals how homeopathy was pushed aside by pharmaceuticals which often caused more harm than good as well as how the current critical attitude toward homeopathy has distorted the historical record Offering a vision of mental health care for the future predicated on a model that flourished for half a century Kantor shows how we can improve the care and treatment of the mentally ill and stop the exponential growth of terminal mental disorder diagnoses that are rampant today
