Law: Cases and Materials Collins Parker, 2019-08-23 Administrative Law Cases and Materials is an important and comprehensive contribution to the legal literature on Namibian law. It will contribute to the development of Namibia's jurisprudence. Experienced author and judge of the Namibian High Court Dr Collins Parker discusses key principles of administrative law applicable to Namibia under the common law as developed and broadened by article 18 of the Namibian Constitution. To support propositions of law discussed in the text he presents carefully selected extracts of judgments delivered in important cases. The book offers a rich source of judicial pronouncements as precedent that are not readily available to many students and teachers of law. The selected cases are from the superior courts in Namibia, South Africa, England and Canada, all common law countries. There are also footnote references to cases from other common law countries like India, Zambia and Zimbabwe. Practitioners of law at the Bar or on the Bench, law researchers and other professionals in public authorities including parastatals, private companies and other find this book useful in the performance of their professional tasks. A Dictionary of Modern Legal Usage Bryan A. Garner, 2001 A comprehensive guide to legal style and usage with practical advice on how to write clear jargon free legal prose. Includes style tips as well as definitions. **Potter**
