Wayne Rooney: Boots of Gold John Sweeney, 2012-04-30 This book is not your usual whitewash Irreverent hilarious and surprising Wayne Rooney Boots of Gold is a tarts and all biography of England s most famous sportsman and an expos of the iniquities of some of those who have sought their pound of flesh from his celebrity Short

tempered and swears he may be but there's no doubting Rooney's passion for the beautiful game. But who is the real Wayne Rooney? On the one hand there was the disastrous World Cup in 2010, sex scandals and the unedifying spectacle of his grotesque contract negotiations with Manchester United; on the other, unprecedented success as the best British footballer of his time. On form, he's an unstoppable force and the jewel in the crown of one of the most powerful club sides in history. But then there's the infamous entourage: a controversial agent, a crooked lawyer, tarts and gangsters all attracted to the fabulous money Rooney gets for kicking a pig's bladder around a field. Wayne Rooney: Boots of Gold charts the rise and fall and rise and fall again of football's most intriguing star.

Casa Facebook Judy P. Fusco, Kevin Paterson, 2011-12 Casa Facebook Mark Zuckerberg His Friends and the Mystical House that Launched Them Judy Fusco with Kevin Paterson In Casa Facebook the author weaves together fascinating real life stories of the founders of Facebook the Silicon Valley kingpins and a mystical house that became headquarters to the social networking startup that changed the world. This compelling narrative provides readers with an insightful view into the lives and community that launched Facebook and the dynamics that can transform wild dreams into reality. Casa Facebook is a captivating story of Judy Fusco's experience with American values seen in the context of her Asian heritage, says Anita Wonder, author and close observer of the drama that played out at the house. One can't read this book without feeling there is a deeper meaning to the extraordinary home where an American institution took shape. According to Judy Fusco, author of Casa Facebook: In recent years I've had the opportunity of closely watching a transformational idea take shape around my dining room table as a team of young entrepreneurs took a dream and unveiled it to the world. This social revolution has made a positive difference in the lives of millions: 800 million members to be exact and in the events of nations. It seems she says as if destiny brought these social revolutionaries to my house for a brief season and a great purpose. Perhaps too the mystique surrounding the house played a significant role in launching the global invasion of social networking and in propelling the Facebook founders to world renown. By taking a look through a window of time, a window I and many others have called Casa Facebook, we can listen and learn from the carriers of this grand idea and in their lives we can find inspiration that can shape our own destinies. You can access blogs and 8 narrative videos about Casa Facebook which provide a visual look inside the many compelling stories surrounding this social networking phenomenon and the startup team Mark Zuckerberg and his friends. The videos include a compelling video tour of the many Casas headquarters of Facebook. To register for additional content go to www.thecasafacebook.com.
