A Short Guide To Equality Risk Short Guides To Business Risk:

A Short Guide to Equality Risk Tony Morden, 2017-03-02 *A Short Guide to Equality Risk* analyses the concepts theories and issues associated with the implementation in organisations and the service environment of an Equality Diversity and Discrimination EDD Agenda Whether from a business political social legal or medical view the risks of failure of EDD compliance are escalating be it in terms of cost the possibility of damage to reputation or the potential for loss of government or public sector contracts Using the insights and specialised medico legal knowledge he has acquired in the course of successfully defending his own rights Tony Morden examines the subject from leadership governance management opportunity and performance oriented perspectives By using case studies and drawing on a growing body of international experience the author analyses components of an EDD Agenda equality diversity opportunity and discrimination and examines issues and dilemmas associated with implementing such an agenda He offers a strategic and performance oriented overview of the issues of leadership prioritisation management process managing architectures and the application of performance and risk management concepts Written from a scholarly perspective but in a practitioner oriented and reader friendly manner this addition to the series of short guides to business risk provides a credible strategic and implementation based overview of what is becoming a critically important politically sensitive and high risk subject [A Short Guide to](#)

[Procurement Risk](#) Richard Russill, 2017-05-15 Increasingly top executives view supply markets as sources of competitive advantage and as means of achieving strategic objectives Procurement is the management activity that makes this happen and this process depends on a superior risk management capability if it is to be effective Yet despite its importance Procurement Risk Management is surprisingly under developed Recent Global Risk surveys have pinpointed Supply Chain Vulnerability as one of the four key global risks for the next decade What is less well known is that this is only half of the story risk exposures also exist inside the company and can be just as damaging No company is an island it needs suppliers as well as customers Conventional wisdom puts great emphasis on managing certain aspects of business such as customers operations strategy and finances Typically however much less regard is paid to external suppliers and the risks present in dealing with them As a minimum suppliers are the sources of materials services and expert attention which enable the company to feed its business model When done well a risk aware procurement process provides the bonus of competitive advantage with the ability to capitalise on the occurrence of unexpected events This short guide explains just how to do it Each chapter explores the topic in hand outlines the risks and the remedies available and offers guidance on the principles and risk prevention **A Short Guide to Facilitating Risk Management** Ms Ruth Murray-Webster, Dr Penny

Pullan, 2012-09-28 *A Short Guide to Facilitating Risk Management* is for all those who need to make sound decisions in important but risky situations people who work with groups to identify prioritize and respond to risks and who wish to deliver value The authors provide readable and practical advice in terms of avoiding pitfalls understanding risk management and the

role of facilitator They include guidance for running workshops and working with small groups and individuals Equality, Diversity and Opportunity Management Tony Morden, 2016-05-23 Equality Diversity and Opportunity Management presents a comprehensive analysis of the processes of governance leadership policy and strategy formulation decision making practical and financial management and real world implementation of the Equality Diversity Opportunity and Discrimination or anti Discrimination Agenda The leadership cost and management of the Agenda for Equality Diversity Opportunity and Discrimination or anti Discrimination is discussed in three mandatory areas Employment and the Workplace Service Provision and customer service Neighbourhood and Community Management The necessary choice of these three key areas of application reflects a typical focus of government policy legislation and case law for the UK Europe North America Australia New Zealand and in many other countries that implement active Human Rights Agendas You will find the book strongly orientated towards issues of corporate governance personal and vicarious responsibility leadership cost management implementation and delivery It deals directly professionally and in a non opinionated manner with challenging and sometimes unpopular or unwanted issues of equality and inequality diversity a lack of opportunity or social mobility and the widespread incidence of discrimination The work suggests practical and realistic means to deal with such issues whether at the level of corporate governance leadership policy and strategy the incurring of unnecessary cost or at the level of operational and departmental management procedure and process Equality Diversity and Opportunity Management is written at the same time from scholarly objective applied proportionate hands on and practitioner based perspectives

Alcohol at Work Mr Clive Tobutt, 2012-09-28 In the European Union many individuals will partake in drinking a little wine with their lunch or dinner to aid their enjoyment of the meal or as an appetizer for food Alcohol is also a drug of dependence Some individuals will drink too much and some of them will become addicted Access to alcohol binge drinking and younger drinkers can lead to unsafe workplaces absenteeism fraud and criminal behaviour Alcohol at Work is a definitive guide to the problem exploring its nature and scale and providing a complete range of ideas and techniques to help create a policy in the workplace and develop appropriate and effective measures for monitoring and tackling alcohol abuse The key collective message is solve the problem take the alcohol not the person out of the workplace In the UK alone research puts the cost of alcohol abuse in the workplace at 2 billion a year This is a must have reference for human resource occupational health and risk managers as well as those involved in tackling criminal behaviour such as fraud and violence at work resulting from alcohol abuse and addiction *A Short Guide to Equality Risk* Tony Morden, 2011 A Short Guide to Equality Risk analyses the concepts theories and issues associated with the implementation in organisations and the service environment of an Equality Diversity and Discrimination EDD Agenda Whether from a business political social legal or medical view the risks of failure of EDD compliance are escalating be it in terms of cost the possibility of damage to reputation or the potential for loss of government or public sector contracts Using the insights and specialised medico legal

knowledge he has acquired in the course of successfully defending his own rights Tony Morden examines the subject from leadership governance management opportunity and performance oriented perspectives By using case studies and drawing on a growing body of international experience the author analyses components of an EDD Agenda equality diversity opportunity and discrimination and examines issues and dilemmas associated with implementing such an agenda He offers a strategic and performance oriented overview of the issues of leadership prioritisation management process managing architectures and the application of performance and risk management concepts Written from a scholarly perspective but in a practitioner oriented and reader friendly manner this addition to the series of short guides to business risk provides a credible strategic and implementation based overview of what is becoming a critically important politically sensitive and high risk subject *Risk Management* ,1982 **Any of Our Business?** Great Britain.
