pertains to visual imagery How can you determine whether an artwork is copyrighted How do you procure a high quality reproduction of an image What does fair use really mean Is it ever legitimate to use the work of an artist without permission Bielstein discusses the many uncertainties that plague writers who work with images in this highly visual age and she does so based on her years navigating precisely these issues As an editor who has hired a photographer to shoot an incredibly obscure work in the Italian mountains a plan that backfired hilariously who has tried to reason with artists estates in languages she doesn't speak and who has spent her time in the archival trenches she offers a snappy and humane guide to this difficult terrain Filled with anecdotes asides and real courage Permissions A Survival Guide is a unique handbook that anyone working in the visual arts will find invaluable if not indispensable
