A Time And Place For Every Laird:

A Time and Place for Every Laird Angeline Fortin, 2013 Surely she'd gone completely mad Claire Manning can't imagine what she was thinking when she decided to help the escapee from her company's lab but after seeing him caged like an animal her humanitarian compulsion cannot be overridden even by the arrogant scowling eighteenth century Highlander Hugh Urquhart turns out to be His entire life has been taken away from him and Claire understands the pain and torment of loss She understands the desperation she sees in his eyes and is prepared to do whatever it takes to secure Hugh's freedom and future What she isn't prepared for is the ruggedly handsome Scot she finds under the layers of grime and blood caked on him Nor is she prepared to feel so much more than mere compassion for his suffering Not once in Hugh's entire life has he been taken for a savage or been argued with and commanded about like a lackey as often as he had by his savior from imprisonment It was he who commanded He who men yielded to However for this woman who had saved his life Hugh is willing to concede that he doesn't know everything that he might need some small amount of help in navigating his way through the alien world he has been unwillingly dragged into With inexplicable trust Hugh hands over the reins of his future to Claire or Sorcha as they would have called her in his world A woman unlike any he has ever met A woman of intelligence wit courage and startling passion buried deep beneath her bonny exterior On the run Claire and Hugh hide away from the agents pursuing them but cannot hide from the undeniable desire that ensnares them and both must face their pasts the loss and heartache that plagues them if they hope to discover that there is a true time and place for every Highland laird **A**

and heartache that plagues them if they hope to discover that there is a true time and place for every Highland laird The Perfect Question Angeline Fortin, 1901 They both had their demons in their pasts Captain Richard MacKintosh returned from Egypt wounded not only in body but also in spirit after making a daring getaway from the rebel band that held him and his military unit captive for months Plagued by guilt for leaving his brothers at arms behind he is determined to force the crown to garner their forces to search all of Egypt if necessary for them He wanted no needed to spend each waking moment finding the help he needed and nothing was going to make him lose focus on that goal That was until he ran into an angelic face from his past Scarred from a tragic accident under the scornful eyes and words of the ton Abby Merrill has become a shadow of the impetuous she once was However when she sees nothing more than caring and affection in Richard s eyes the hopes and fantasies she d thought long buried are rekindled She would do anything for the man she has long loved and knows that if she is to have any chance of a future with him she must first help free him from the past As he has freed her from hers Together they learned to live again In Abby s arms Richard finds a welcome haven against the storm of guilt and disappointment But he can t let go of the past and embrace the future until he s freed his brothers from their imprisonment But once he is free to love Abby will there be a future left for them to share *A Question of Love* Angeline

Fortin, 2011-11-06 She lost her first chance at love After spending six years to an oppressive husband Evelyn Ashley Cooper is free to be herself again to live again and to love again If only she remembered how Eve finds herself floundering under the veneer of perfection her domineering husband demanded unable to unleash the vivacious girl she was once was from the confines of her prim exterior Since meeting Eve many years before Francis MacKintosh has become a man embittered by life by a wife who has made him a cuckold to the whole of Scotland and by a scandalous divorce He never thought that he would find Eve his Eden once again or that he would dare push aside his disdain of the fairer sex to trust and love once more But for Eve for the love and happiness he is suddenly certain they can find in each other he finds himself willing to take a chance If only he might convince his true love to do the same They found a second chance together Love and desire tempt Eve to shed her old self and begin anew but she s torn between the yearning to be with Francis and a determination never to put herself under the thumb of another man Francis seduction and ability to blend her proper side with the spirited Eve of years past lures the countess back to him but just when happiness seems but a step away their mutual pasts will come crashing down around them attempting to tear them apart Eve and Francis will have to risk their lives for a second chance and a future together The question remains will their rediscovered love be enough to conquer all **A Scot to Remember** Angeline
