A Very Present Help Psalm Studies For Older Adults:

A Very Present Help Miriam Dunson, 1999-01-01 Having found a strong correlation between themes in the psalms and the personal and spiritual issues that older adults deal with everyday Miriam Dunson selects ten of the best known psalms for in depth studies exploring issues of particular concern to older people She opens avenues for study and reflection by including in each chapter a discussion of the psalm s background its meaning and how it relates to the lives of older persons

The Essential Spirit Donald R. Koepke, 2016-01-19 Everyone who provides services to older adults believes in the biomedical model that addresses the body mind and spirit of their clients On the whole service providers be they long term care professionals academics social workers program professionals counselors or even clergy are quite adept at dealing with the body and the mind But few understand the essential role of the client s spiritual perspective which can enhance and make their services and ministries more effective The Essential Spirit provides such a viewpoint 1 by exploring a definition of spirituality that is inclusive of both religious and non religious understandings and 2 addressing the viewpoints of professionals from a variety of viewpoints Recognizing that the experience of spirituality is personal and qualitative The Essential Spirit adds another voice to the ongoing dialogue among professionals and clergy Living Through Pain Kristin M. Swenson, 2005 In Living Through Pain Kristin Swenson charts the multifaceted personal and social problems caused by chronic pain This book also surveys professional efforts to mitigate and manage pain Because the experience of pain involves all aspects of a person body mind spirit and community Swenson consults an ancient resource for wisdom perspective and insight Her close reading of selected psalms from the Hebrew Bible demonstrates that the challenge of living through pain is timeless Living Through Pain chronicles how these ancient texts offer a vocabulary and grammar for understanding and expressing the contemporary experience of pain Pain is a universal experience and this book invites readers to consider more fully what is involved in the process of healing BOOK JACKET **Declining, Yet Shining** Richard L. Morgan, 2009-04-01

This book shows how the Bible offers timeless wisdom for any age but has special guidance for older people Author Richard Morgan has chosen 120 Scripture readings in tribute to Moses recorded as living one hundred and twenty years when he died and written a series of reflections on Bible characters whose experience of aging speaks across the centuries to us today Author Jane Marie Thibault asks the question Would you accept the gift of 120 years with joy and gratitude or would you respond according to your circumstances For the first time in the history of humankind many of us may have the opportunity to live that long We can reasonably expect that we will soon accept the gift of 120 years Is this good news or bad news for you Medical science has extended our years and given us longevity but medical science cannot give us meaning for these years The meditations in this book offer stories of older Biblical men and women like Abraham and Sarah Elizabeth and Zechariah Simeon and Ann who offer wisdom on how to find meaning in these later years Morgan s book would be good reading for older adults and those who have not yet had to face the challenges of the later years Its wisdom offers the prayer

May you die young at a very old age **Nursing as Ministry** Kristen L. Mauk, Mary Hobus, 2019-10-01 Designed to be a student friendly textbook for faith based schools this first edition text focuses on nursing as ministry not just spiritual care

A Nonviolent Theology of Love Sharon L. Baker Putt, 2021-02-02 The impetus behind the ease with which the church has periodically justified violent behavior lies in its conceptual image of God as a violent deity This book emerges out of a passion to think differently albeit biblically about the character of God and articulates a theological construction of a nonviolent God an alternative to any image of God that seems to condone human violence It calls the church to rethink theology as something other than what might be termed redemptive violence and encourages Christians to reinterpret Scripture and traditional theological beliefs in ways that are more faithful to the God disclosed in Jesus of Nazareth Students of theology need a fresh glimpse of the love mercy and redemptive power of God through Jesus As it follows the structure of the Apostles Creed through the various theological topics this book reminds Christians to share in God s desires for peace and love and to recommit themselves to the call of God to be ministers of reconciliation and lovers of both neighbors and enemies even while at times responding to violence with nonviolent resistance
