Alcazar; Or the Dark Ages, Vol. 1 of 3 John Richard Digby Beste, 2015-07-08 Excerpt from Alcazar Or the Dark Ages Vol 1 of 3 A Novel The events recorded in the following pages happened seven hundred years ago and I assure the reader that neither I nor any of my family now living took any part in them I should have deemed it superfluous to make such a declaration had it not been insisted that I myself and the several members of my household together with real events that had happened to each of us had been introduced by me into my recent work entitled Modern Society in Rome Because in The Wabash I had recorded what happened to us in our wild travels in the Back Woods of America it was thought that we must play a part in every novel or chronicle that I might publish And as I do not make my novels a vehicle for personal histories so I would request non readers to believe that I do not use them as channels for controversial or religious disquisitions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
