9781454889427 **The Dental Reference Manual** Geraldine M. Weinstein, Mitchell T. Zientz, 2016-11-29 This book is designed to meet the needs of both dental students and dentists by providing succinct and quickly retrievable answers to common dental questions Students will find both that it clearly presents the particulars which should be familiar to every dentist and that it enables them to see the big picture and contextualize information introduced to them in the future Practicing dentists on the other hand will employ the book as a daily reference to source information on important topics materials techniques and conditions The book is neither discipline nor specialty specific The first part is wide ranging and covers the essentials of dental practice while the second part addresses individual specialties and the third is devoted to emergency dental treatment Whether as a handy resource in the student s backpack or as a readily available tool on the office desk this reference manual fills an important gap in the dental literature **The Coach's Mind Manual** Syed

Azmatullah, 2013-10-01 The Coach s Mind Manual combines the latest findings from neuroscience psychology and mindfulness research to provide an accessible framework to help coaches and leadership development specialists improve their awareness of the mind enhancing their coaching practice Syed Azmatullah explains how such knowledge can be used to guide clients on a journey of self discovery facilitating transformational changes and enriching their performance and personal lives Part One considers the mind s management committee the cerebral cortex and how its contrasting functions can be accessed to improve problem solving skills Part Two considers the mind s middle management the limbic system balancing executive direction with our social and emotional needs driving motivation around core values Part Three examines how the environment via the body influences our mental infrastructure at various stages in life guiding the selection of

interventions Part Four looks at interpersonal dynamics and how to maximise team performance Part Five considers the power of collaboration for generating the culture needed to improve the sustainability of our global community Each section contains self reflection exercises and experiential role play to help clients derive benefit from their new personal insights Coaches are encouraged to combine the broad range of concepts presented with their own experience creating a contextually driven coaching process By focusing on the mind as the target for coaching interventions Azmatullah establishes a comprehensive framework for achieving transformational change The Coach s Mind Manual is ideal for all professionals engaged in adult development including executive coaches business coaches human resource development professionals leadership development professionals management consultants and organisational development professionals **VW Polo**
