Astral Plane Scenery Inhabitants Phenomena:

The Astral Plane C. W. Leadbeater, 2021-07-08 Reference to the astral plane or K maloka as it is called in Sanskrit has frequently been made by Theosophical writers and a good deal of information on the subject of this realm of nature is to be found scattered here and there in our books but there is not so far as I am aware any single volume to which one can turn for a complete summary of the facts at present known to us about this interesting region The object of this manual is to collect and make some attempt to arrange this scattered information and also to supplement it slightly in cases where new facts have come to our knowledge It must be understood that any such additions are only the result of the investigations of a few explorers and must not therefore be taken as in any way authoritative but are given simply for what they are worth On the other hand every precaution in our power has been taken to ensure accuracy no fact old or new being admitted to this manual unless it has been confirmed by the testimony of at least two independent trained investigators among ourselves and has also been passed as correct by older students whose knowledge on these points is necessarily much greater than ours It is hoped therefore that this account of the astral plane though it cannot be considered as quite complete may yet be found reliable as far as it goes Astral Plane Leadbeater C. W., 1901 The Astral Plane C. Leadbeater, 2013-10-10 A reference guide for the initiate an introduction for the neophyte and an explanation for those on the journey of understanding of the world beyond our senses this book sets to light worlds and beings that command the astral planes From one of the most experienced and insightful practitioners of Theosophical thought we are guided and introduced to angels vampires a range of ghosts fairies dark beings and elementals in this inclusive and detailed handbook to the mystical realms *The Astral Plane: Its Scenery; Inhabitants and Phenomena* Charles Webster Leadbeater, 2017-08-18 **The Astral Plane** C. W. Leadbeater, 2007-07 Charles Webster Leadbeater 1854 1934 English clergyman and theosophical author contributed to world thought mostly through his work as an alleged clairvoyant His uncle was the prominent Anglican clergyman William Wolfe Capes By his uncle's influence Leadbeater was ordained an Anglican priest in 1879 at Farnham by the Bishop of Winchester His interest in occultism was stimulated by A P Sinnett's *Occult World* and he joined the Theosophical Society in 1883 The next year he met Helena Petrovna Blavatsky when she came to London At this time he was the recipient of a few Mahatma letters which influenced him to go to India where he arrived at Adyar in 1884 This was the start of a long career in the Theosophical Society Among Leadbeater's famous works are *The Astral Plane* 1895 *Reincarnation* 1898 and *A Textbook of Theosophy* 1912 He had a close friendship with Annie Besant 1847 1933 starting in 1895 Annie later is said to have allowed her occult powers to diminish while Leadbeater's grew stronger Together they wrote *Thought Forms* 1901 and *Occult Chemistry Clairvoyant Observations on the Chemical Elements* 1919 **The Astral Plane Its Scenery, Inhabitants and Phenomena** Leadbeater C. The Astral Plane C. W. Leadbeater, 2017-09-16 Excerpt from The Astral Plane Its Scenery Inhabitants and Phenomena No one can get a clear conception of the teachings of the wisdom religion until he has at any rate an intellectual grasp of the fact that in our solar system there exist perfectly definite planes each with its own matter of different degrees of density and that some of these planes can be Visited and observed by persons who have qualified themselves for the work exactly as a foreign country might be visited and observed and that by comparison of the observations of those who are constantly working on these planes evidence can be obtained of their existence and nature at least as satisfactory as that which most of us have for the existence of Greenland or Spitzbergen Further more just as any man who has the means and chooses to take the trouble can go and see Greenland or Spitzbergen for himself so any man who chooses to take the trouble to qualify himself by living the necessary life can in time come to see these higher planes on
