At The Eleventh Hour The Biography Of Swami Rama:

At the Eleventh Hour Rajmani Tigunait, 2001 *At the Eleventh Hour* is more than just a biography about the accomplishments of Himalayan master Swami Rama and an overview of the profound system of yogic knowledge he brought to the West. This book tells the story of Swamiji through the eyes of Pandit Rajmani Tigunait PhD, his devoted student and successor as the spiritual head of the Himalayan Institute. As you read Pandit Tigunait's account of life with his master, you will gain insight into the guru-disciple relationships Swami Rama had both with his master and with his own students. This book serves as a guide to some of the more esoteric practices of tantra, not commonly known or understood in the West. It brings you to holy places in India to the source of the Himalayan Tradition, revealing why these sacred sites are important and how to go about visiting them. Will Yoga & Meditation Really Change My Life? Stephen Cope, 2003-01-01 As one of the largest and most successful yoga-based retreat and education centers in the world, Kripalu Center for Yoga Health in Lenox, Massachusetts, attracts many of the leading teachers of yoga and Buddhist meditation to its annual retreat. *East Meets East: Yoga Buddhism In Will Yoga Meditation Really Change My Life*. Stephen Cope brings to the printed page the fascinating dialogue that he has fostered in these retreats. Cope asks participating teachers to share their tales from the path, stories of how the long-term practice of these ancient traditions has changed their lives. The result is an inspirational volume featuring 26 distinct voices telling their stories, how they became interested in these traditions, the teachers who inspired them, and how the practice of yoga and meditation has shaped their lives and perspectives. The contributors, many of whom are authors of well-known books on these topics, speak of their experiences as real people living in our complex world, complete with spouses, children, aging parents, financial demands, illnesses, injuries, and all of the ordinary aggravations of everyday life. Many of these teachers have studied and explored the practice of yoga or meditation over the course of 30 years and have been pivotal in creating retreat centers, styles of yoga, and teaching techniques that have contributed to the widespread popularity of these practices in mainstream culture. The stories of these teachers ask the questions: What is possible for me in my life right now? How can my practice of yoga and meditation help me lead a more satisfying life? These are questions on which every spiritual seeker and practitioner of yoga and meditation inevitably must reflect.
